Attorneys of Michigan

The Disability Attorneys of Michigan are eager to announce that we are offering a scholarship to a graduating high school senior from Michigan. If you are going to be attending a college or university upon high school graduation, and at least one of your parents or guardians receive disability benefits from the Social Security Administration or Veterans Affairs, you may be eligible for this scholarship.

We will be awarding up to 3 scholarships worth \$1,000 each. Requirements are:

- Proof that the student's parent or guardian is currently receiving disability benefits through the U.S. Social Security Administration and/or the U.S. Department of Veterans Affairs
- Must be a graduating high school senior in Michigan.
- Must have a minimum 3.0 GPA.
- Must be attending a 4-year college or university or a 2-year community college.
- A current transcript **MUST** be submitted for consideration.
- A 500-word minimum essay explaining the manner in which the applicant's parent(s) and/or guardian(s) disability has impacted their life, education, and/or future goals.
