## Winter Weather Reminders

The Transportation Director and Superintendent jointly make the decision to delay or close school after travelling district roadways to determine if it is safe for our buses to operate. The decision to remain open, delay, or close is usually a difficult one, but it comes down to one overriding factor—the safety of operating our buses on the roads in our school district.

The decision to close or delay school will be announced on our Blackboard Connect phone notification system as well as the district website. Local radio stations WABJ, WLEN, and WQTE, and Toledo television stations 11, 13, and 24 will also be notified.

If you do not believe it is safe for your children to attend school, please exercise your parental authority and keep your children home. We will respect that decision.

Please review the full winter weather policy on the Transportation page of the website:

## A Message to Our Visitors

If you are a visitor to Madison Schools please be sure to stop in to the office to sign in and obtain your visitor's pass. If you wish to meet with a member of our staff concerning your child's progress, please call to schedule an appointment at a mutually convenient time.

We ask that special deliveries to school such as birthday treats, forgotten items, etc. be left in the school office for pick-up by your student when there is a break in instruction.

These policies help keep our school safe and minimize classroom disruptions. We thank you for understanding.

## Parking Lot Safety

As you know, our driveways and parking lots are extremely busy at both the start and end of the school day. For the safety of all students, please take care to follow all posted traffic signs concerning parking and traffic flow patterns.

Elementary parents are asked to walk with their children both to and from the building, to assist them in watching for vehicles in the parking lot.

Thank you for taking the time to watch for students of all ages as they enter and exit our school buildings.

## Central Michigan 2-1-1 is Here to Help

We all hear about the "tough economic times" we are living in and are waiting for some relief. Unfortunately while we wait, our friends, neighbors, family members and maybe even we ourselves find it difficult to make ends meet. Levels of assistance through the Department of Health and Human Services have been reduced which has left many needing to find help elsewhere and not knowing how to navigate the system. 2-1-1 is the place to turn if you find yourself, or someone you know, needing assistance and not knowing where to turn.

### Who Can Use 2-1-1?

Anybody. If you're looking for assistance with a problem and you don't know where to turn, or you simply want information on a particular human service issue, 2-1-1 is for you.

### When Can I Call?

Anytime. 2-1-1 is available 24 hours a day, seven days a week.

### How Does 2-1-1 Work?

There are multiple ways to reach the 2-1-1 service. Just pick up your phone and dial 2-1-1, dial 866.561.2500, OR visit <http://centralmichigan211.org/home.html>.

## Middle School Students Attend Macul Conference in Lansing

Again this year, Madison Middle School was selected to present the work that they are doing in technology at the State Student Technology Showcase at the Capitol in Lansing, Michigan. Sixth graders, Seth Kably, Ashlin Hill, Aubree Pizana, and Emily Murry, presented their websites to Governor Snyder, Representative Kahle, Senator Zorn, and many others. They discussed how they built their websites using HTML and CSS language. They also talked about how persistence, attention to detail, and creativity are important aspects of coding.

## Hour of Code

December 5th was a very busy day in the middle school computer lab! Each hour our seventh graders hosted our elementary friends for an Hour of Code. Each elementary student had a seventh grade 'Code Coach' to partner with. It was a fun way to learn computer science! Many of the coaches stayed after school so more students could participate. The Hour of Code has become the largest education event in history with over 100 million students participating from 180 different countries worldwide. Students can access <http://code.org> to continue their learning. If your child would like more resources, please contact Mrs. Brandeberry at [jill.brandeberry@madisonk12.us](mailto:jill.brandeberry@madisonk12.us).

## Middle School Continues Boxtops Collection

Three lucky winners won \$10 gift cards from Wal-Mart in December for collecting Box Tops! Please be on the lookout for Boxtops! For every 25 Box Tops that your child brings in, they will be entered into the next drawing. It is a great way to help support our school. Each (non-expired) Box Top is worth 10 cents. Our goal is to raise \$1050 this school year. All money is used to add and upgrade technology for student use. Spread the word!
