# MADISON MUSIC

## From the Superintendent's Desk:

On March 12, 2017 four area bands with strong ties to Madison Schools and Madison music students will come together to provide over seven hours of continuous music for a fundraising event benefiting the Madison music program. "MADison MUSIC" will be held in the Madison Performing Arts Center (please see attached flyer). Maria's Sunnyside Café will be onsite providing food for sale during the event.

**The Madison Music Boosters are providing two free tickets to each employee and to any alumni of Madison. Please stop by the Central Office to attain your two free tickets for the event.**

Also, please see Marcie Zeckner or Eric Strasshofer if you are interested in volunteering at the event. You can earn an Above & Beyond point for working two hours at the concert.

Community members may purchase tickets, \$10.00 each, available from Central Office or through online payment (MySchoolBucks) located on the Website. This is an extraordinary opportunity to enjoy over seven hours of continuous music with four bands and several current music students groups, all at one affordable price. These very talented musicians have strong ties to this community and will perform throughout the afternoon and early evening in Madison School District's beautiful P.A.C. Beginning at noon, the band line-up includes **Titus**, **Los Hermanos Villegas**, and **Bille Lewis & Soulbacks**. **Last Nation** will wrap up the event.

"The program's genre of music is broad and showcases the amazing music talent stemming from Madison Schools," said event producer David Aldrich, owner of Stage Presence and Aldrich Music Company. "Music ranges from soul to Tex-Mex to Cumbia to rock and more, featuring a high caliber of musicians including an International Blues Award winner, as well as musicians who have toured on the tri-state and national level."

This year, the program also includes performances by current Madison School music students. *Broken Bows*, a fiddle group that performs fiddle music, movie themes and pop, will make their debut during the event. In addition, the *Madison Athletic Band and Drumline* is slated to perform, as well as the *Madison Choir*.

"I invite the community to attend "MADison MUSIC" for an afternoon of live music and great food. Bille Lewis of **Bille Lewis & Soulbacks**, James Humphres of **Last Nation**, Keith Holloway of **Titus**, and all members of **Los Hermanos Villegas** are Madison alumni. Everyone involved believes this is a fun way to give back to the District, and at the same time enjoy quality entertainment," said Ruben Villegas, **Los Hermanos Villegas** band member and Madison alumni.

The event schedule is as follows:

12:00 PM – **Titus**

2:00 PM – **Los Hermanos Villegas**

4:00 PM – **Bille Lewis & Soulbacks**

6:00 PM – **Last Nation**

## Junior Achievement Needs You!

Have you ever wanted the chance to volunteer and make an impact? Junior Achievement is looking for people who would like to make a difference in the life of a child – it could even be your child! Junior Achievement's (JA) purpose is to educate and inspire young people about economics, financial literacy, work readiness, and entrepreneurship. Volunteers are placed with students into the classroom during the school day. All the materials you need are provided to you in a program kit. You just bring your own personal experiences to enrich the program material. J.A. program sessions are taught in five one-hour increments and you can set a schedule with the teacher to fit your calendar! Our JA office does provide grade specific training and each program kit contains a step-by-step booklet that walks you through the fun J.A. experience in the classroom. So if you are looking to make a difference, come and join us in our mission to help today's youth succeed in the future.

To see how you can get involved call JA Program Coordinator, Salida, at 517-782-7822, ext. 10, or email [ssanmi-quel@jamichiganedge.com](mailto:ssanmi-quel@jamichiganedge.com).

## News From the Art Room

### 8<sup>th</sup> Annual Earth Day Recycled Fashion Show

It's a GO, mark your calendars for Thursday, April 20<sup>th</sup>. So far we have over 40 students who have signed up for this year's Earth Day Recycled Fashion Show.

There is still time if you would like to participate, just pick up a permission slip in the art room.

Many students have asked if this event is FREE and the answer is "yes". All that is required is for you to be creative and to use your imagination.

In the meantime, our budding artists have been busy in the art room creating and making connections to world and to what they are learning in the classroom. Kindergarteners recently painted butterflies while learning about symmetry. First graders painted winter cardinals while making connections to animal habitats. Second Grade Tiger drawings are in progress while making connections to animals. Third graders created Native American picture word drawings and medicine bags. Fourth grade made connections to math and patterns while drawing Tessellation patterns. Fifth grade Cityscape silhouettes were created while students considered country, city differences and comparisons. Remember to ask your child about their work to reinforce what they are learning.

**Notice of Non-discrimination Policy** It is the policy of Madison School District that no person shall, on the basis of race, color, national origin, sex or handicap, be excluded from participation in, be denied the benefits or, be subjected to discrimination during any program or activity or in employment. Any questions concerning the Title XI of the Education Amendments of 1972, which prohibits discrimination on the basis of sex, along with inquiries related to Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap, should be directed to the Superintendent of Schools at Madison School District, 3498 Treat Highway Adrian, MI 49221. **Public Act 198 of 1971**, the Mandatory Special Education Act, establishes the right to handicapped person(s) from birth through the age of 25, to equal opportunity within the public schools. THIS MEANS THAT HANDICAPPED CHILDREN DO NOT NEED TO WAIT UNTIL THEY ARE SCHOOL AGE TO BENEFIT FROM SPECIAL EDUCATION SERVICES. It is important that help be obtained for the handicapped at the earliest possible age. In the State of Michigan, this help is free and is available through your public schools. A team of educational specialists evaluate the child to determine the type and degree of disability and the best kind of program placement. This evaluation often includes medical specialists. Pre-primary Special Education services are available for: Emotionally Impaired, Mentally Impaired, Physically & Otherwise Health Impaired (POHI), Hearing Impaired, Visually Impaired, Speech & Language Impaired, Specific Learning Disabled. If you know a pre-school child who may benefit from these services contact the Board of Education at 517-265-1840.
