Latch-Key Application and Contract for 2017-2018

Madison School District is proud to offer Latch-Key before and after school care for up to 96 students who attend Madison Schools. Students are able to work on classwork, participate in activities with their peers, and enjoy snacks during the time they are present. Frequent cost comparisons occur to ensure that the price is competitive with other organizations who provide similar services throughout the area.

However, a significant amount of time is spent on accounting due to "tracking" students who attend morning and/or afternoon latchkey each day. Almost all daycare centers and preschool facilities simply charge a flat rate for a determined length of time; weekly for example, regardless of how often a child attends. Organizations choose to charge a flat rate rather than a daily rate because charging a daily rate creates a lot of unnecessary accounting and provides a complex and confusing payment process for families served.

Therefore, rather than continuing to charge a daily rate, all fees will transition to a flat fee for the 2017-18 school year. In addition, payments will only be accepted online through MySchoolBucks. Raquel Ybarra or Jill Myers are available to assist parents with the online payment system.

Fees and payment for 2017-18:

There is a non-refundable \$10.00 application fee. An application must be completed for each child.

Morning or Afternoon Session:

\$22.50 per week for the first child and \$18.50 per week for each additional child

Morning and Afternoon Session:

\$40.00 per week for the first child and \$33.00 for each additional child

Late Fee Charges after 5:30pm

\$10.00 will be added to the account for every 15 minutes past close

Please contact Raquel Ybarra for information pertaining to Latch-Key. Raquel may be reached at raquel.ybarra@madisonk12.us or 517-263-0741 x352.

Junior Achievement Needs You!

Have you ever wanted the chance to volunteer and make an impact? Junior Achievement is looking for people who would like to make a difference in the life of a child – it could even be your child! Junior Achievement's (JA) purpose is to educate and inspire young people about economics, financial literacy, work readiness, and entrepreneurship. Volunteers are placed with students into the classroom during the school day. All the materials you need are provided to you in a program kit. You just bring your own personal experiences to enrich the program material. J.A. program sessions are taught in five one-hour increments and you can set a schedule with the teacher to fit your calendar! Our JA office does provide grade specific training and each program kit contains a step-by-step booklet that walks you through the fun J.A. experience in the classroom. So if you are looking to make a difference, come and join us in our mission to help today's youth succeed in the future.

To see how you can get involved call JA Program Coordinator, Salida, at 517-782-7822, ext. 10, or email ssanmiguel@jamichiganedge.com.

You may also contact Tricia Fowler, Parent Educator at 517-263-0744 ext. 231 or email tricia.fowler@madisonk12.us

We need 10 more parent volunteers to cover classes that would like to participate!

We invite you to spend a "day in kindergarten" in a special parent work-shop on Thursday, April 27 from 6:00—7:30 p.m.

See what it's like to be a kindergarten student and get helpful tips for transitioning your child to school. Pre-registration is required. Please call the elementary office at 517-263-0744.

Child care is provided and each family will receive a new book.

Please visit lenaweefreepreschools.org to submit the interest form.

The GSRP office will then send you an application through the mail.

The Biomed, Human Body Systems, Medical Interventions currently offered at Madison will enable students to further deepen the healthcare science technical skills and knowledge applicable to the healthcare industry. Boys basketball wins first regional game since 1979

It was a historic season for the boys basketball team in 2016-17. After starting the year 7-7, the Trojans finished the season on a 9-2 run that propelled them all the way to the Regional Finals for just the second time in school history. The season came to an end in Regionals against SMCC, as the unbeaten Falcons defeated Madison on a buzzer-beater three-pointer to advance.

Madison won its first game of the district tournament against previously unbeaten Sand Creek by a final of 64-61. In the district semis, the Trojans beat Hudson 54-38 before winning the district title 45-40 over Addison. In the first game of regionals, Madison ousted Ann Arbor Greenhills 59-52 to win their first regional game since 1979.

During Madison's great streak to end the season, head coach Jeff Webster notched his 200th career win. Webster is one of only a few people that can say they have won a TCC title as a player and coach for the same team.

Jared Sloop finished the season as the TCC's leading scorer, finishing with an average of 17.1 points per game, as he scored 240 points in the 14-game conference schedule. Darien Zeluff came in third in scoring, with 215 points on the season.

Sloop and Zeluff were both named to the All-TCC first team. Aaron Dubbs received the sportsmanship award for Madison.

Sloop also received Class C All-State Honorable Mention Honors from the Associated Press for his efforts this season.

Great season, boys!

Competitive Cheer finishes third in the state

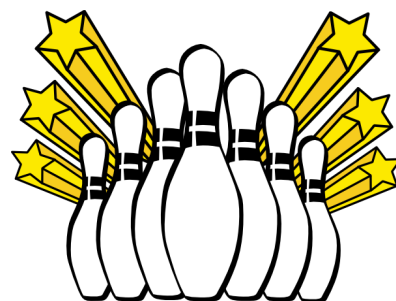

After the team won districts and placed fourth at the regional tournament, the Trojans advanced to the state tournament at the DeltaPlex in Grand Rapids. The girls finished in third place in the Division 4 finals, behind Hudson and state champion Breckenridge. Their final score was 753.54.

Competitive Cheer Coaches Association of Michigan announced that Competitive Cheer Coach Emily Gafford has been selected as Regional Coach of the Year for 2017!

Trojan Bowlers compete at state tournament

Isaac Solis finished third at Regionals and qualified for the State meet. Alexis Cable won the Regional and Isabel Young finished third to advance to the State meet. Solis finished 35th, Cable placed 44th, and Young wound up at 59th overall in the state!

Girls basketball reaches District Finals

After a sixth straight TCC title and a 17-3 regular season, the Lady Trojans rolled through Sand Creek and Addison to advance to the District Finals on March 3 against Grass Lake. Madison would come up short in the finals by a score of 46-37.

Earning All-TCC honors for the Trojans were Nicole Olden who was named to the first team, and Courtney Benschoter who received second team honors. Keeley Pape was given the sportsmanship award for Madison.

Great season, ladies!

Najera finishes fourth in the state in wrestling

Senior 103 lb. wrestler Frankie Najera qualified for the individual state tournament at the Palace of Auburn Hills during the weekend of March 2-4. After an 8-1 win in the opening round of the state tournament, he moved on to the semis where he dropped a tough 3-2 decision. Najera earned All-State honors and finished fourth in the Division 3 103 lb. weight class.

Najera was named to the Second Team All-County and Isiah Wyatt-Young was an All-County Honorable Mention for the Trojans wrestling team this season.

What is Athletic Boosters?

We are a group of committed parents and staff to help support our athletes and sporting facilities. We give to the athletic department so that we don't have to be a "Pay to Play" school. We give 2 scholarships to seniors that want to continue their education in college. Everyone is welcome to become a member of the Madison Athletic Boosters by coming to a meeting or volunteering. Our meetings are every 2nd Wednesday of the Month in the Board Room next to Central office from 6:30-7:30 pm. As members, we are the ones responsible for running the concessions stands for all home games. We appreciate all our volunteers and have made lots of new friendships from this experience.

We are looking for nominations for the Athletic Booster Board by April 12th meeting so we can have Board of Officer's elections during our May 10th meeting. If you would like more information please contact Tricia Fowler, Athletic Booster President at 517-263-0744 ext. 231 or tricia.fowler@madisonk12.us.

We need volunteers for concessions! Please consider helping during spring sporting events!

Public Act 198 of 1971, the Mandatory Special Education Act, establishes the right to handicapped person(s) from birth through the age of 25, to equal opportunity within the public schools. THIS MEANS THAT HANDICAPPED CHILDREN DO NOT NEED TO WAIT UNTIL THEY ARE SCHOOL AGE TO BENEFIT FROM SPECIAL EDUCATION SERVICES. It is important that help be obtained for the handicapped at the earliest possible age. In the State of Michigan, this help is free and is available through your public schools. A team of educational specialists evaluate the child to determine the type and degree of disability and the best kind of program placement. This evaluation often includes medical specialists. Pre-primary Special Education services are available for: Emotionally Impaired, Mentally Impaired, Physically & Otherwise Health Impaired (POHI), Hearing Impaired, Visually Impaired, Speech & Language Impaired, Specific Learning Disabled. If you know a pre-school child who may benefit from these services contact the Board of Education at 517-265-1840.

Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
