## From the Superintendent's Desk:

### Madison Youth Athletic Council (MYAC)

#### Approaching Three Years of Offering Youth Athletics at Madison School District

When I arrived to the District five years ago, many people communicated to me that there was a significant void for students who attended Madison Schools. I listened as numerous faculty and parents stated how a youth athletic program at Madison Schools was desperately needed. At that time, students registered to participate in youth athletic programs through Sand Creek, Adrian, Lenawee Christian, Adrian Parks & Recreation, and the YMCA. A couple of these opportunities no longer exist. Parents, faculty, and staff communicated that youth would enjoy, and ultimately be empowered by, playing sports with their peers; the students who they interact with at school, and sit next to in class and in the cafeteria.

In order to successfully implement this program, by-laws were crafted determine how a Madison Youth Athletic Council (MYAC) organization would function and operate. Proposed by-laws were officially adopted at the regular meeting of MYAC membership **May 21, 2014**.

**The purpose of this Council is** to constitute an organization for the development and coordination of youth athletic opportunities at Madison School District.

**The organization is an instrument of, and exclusively for,** the benefit of the District and/or its students. A student must be actively enrolled at Madison and registered in eSchool as a Madison School District student to participate in any MYAC-sponsored activity.

#### Mission Statement

Madison Youth Athletic Council, in cooperation with our community, strives to develop and coordinate youth athletic opportunities intended for the youth attending Madison School District.

#### Vision Statement

Developing individual excellence through athletic activities so that each student can reach his or her full potential Madison Youth Athletic Council Board

I have tremendous appreciation for, and am grateful to the leadership of the officers who worked with the District – as volunteers – to make the Madison Youth Athletic Council a reality. At the time, that included:

Robert Burciaga - President  
Scott VanEtten - Vice President  
Michael Dopp - Treasurer  
Kristi Douglas - Secretary  
Jeff Grof - Member-At-Large

Now, almost three years later thousands of Madison students have participated in football, cheer, wrestling, basketball, baseball, and softball through the school-sponsored MYAC organization. In addition, over \$20,000 has been raised by MYAC over the past three years, which has helped improve resources, assets, and facilities such as the score boards in the middle school gym, Madison Indoor Athletic Facility, and the youth baseball and softball fields, to name a few.

Most recently, the youth fields were refurbished and the Madison Family was able to celebrate Opening Day of baseball and softball on Saturday, April 22<sup>nd</sup> in spectacular fashion.

Once again, the leadership of MYAC and a strong supporting cast of volunteers made this day possible. The current leadership includes:

MYAC Presidents – Chad and Heather Barber  
MYAC Vice President – Jeff Grof  
MYAC Treasurer – Greg Choinski  
MYAC Secretary – Kristi Douglas  
MYAC Member at Large – Eric Dopp

**Moving forward, several initiatives are currently taking place** to sustain a standard of excellence for MYAC. A MYAC Handbook illustrating information for all involved will be recommended to the Madison Board of Education for adoption at the May 15<sup>th</sup> Board of Education meeting. The Handbook will then be published and utilized to communicate information and expectations. Plans are underway to offer clinics for MYAC coaches in alignment with the standards of the varsity coaches of each respective sport. Finally, we are working to provide various forms of education to **coaches, parents, and the student-athletes** regarding **sportsmanship** and how to **treat each youth athletic opportunity as an extension of the classroom**.

What a tremendous asset MYAC is to Madison School District. **Thank you** to the numerous individuals who work tirelessly to make these opportunities available to youth at Madison Schools.

With sincere appreciation and congratulations! Great things are happening at Madison!

## Madison receives incentive check from Consumers Energy

Madison School District has received its second of three rebate checks from Consumers Energy for participation in their Business Energy Efficiency Program.

Madison unveiled its Strategic Five-Year Facility Maintenance Plan - "2020 Vision", in 2015. The plan's Guiding Principles included the following:

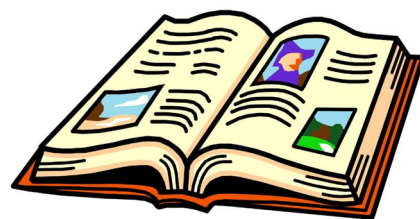

- Provide a progressive, innovative, and safe learning environment to enhance student instruction and performance.
- Allow the District to function in the most efficient and cost-effective manner possible.
- Utilize technology to manage aspects of the facility to lower unnecessary expenses.
- Improve the branding and marketability of the District through progressive and innovative, yet cost-effective, enhancements.

Among the improvement projects for consideration was replacement of the outdated light fixtures throughout campus with energy-efficient LED fixtures. Superintendent Ryan Rowe stated, "Updating these fixtures has not only provided improved physical comfort, but has resulted in decreased energy expenses when compared to previous years. Further maximizing our savings was participation in the Consumers Energy Business Energy Efficiency Program. As a result, the District has received rebates totaling \$21,272.40."

## Madison staff members honored for Autism Awareness Month

April was Autism Awareness Month and the LISD celebrated by honoring those who make a difference in our schools and communities by supporting individuals with Autism.

Fourth Grade teacher Mrs. Erin Pifer was selected for her willingness to be a building coach, her amazing classroom environment, her positive can-do attitude, and her flexibility.

First Grade teacher Holly McVay was honored for attending the Stat Mini IT PD series this year, classroom implementation of that information, for her positive and calm personality, creative ideas for supporting students, and willingness to try new strategies.

Para professional Leti Alvarez was chosen for all of her support and hard work, her positive attitude, can-do approach, as it is so evident that she genuinely cares for the student she works with.

Middle School art teacher Heather Yeager attended the afterschool professional learning community for students with autism this year. She came ready to learn and share, has a positive outlook on teaching, and has taken the information back to share at the school.

## Elementary Library News

Thanks to everyone that helped out to make our March Reading month a great one. Noah Weaver in Mrs. Iott's 3<sup>rd</sup> grade class and Sierra Bushroe in Mrs. Allen's 1<sup>st</sup> grade class were our Kiwanis Bike winners. Great job reading everyone!

S'more and a Story was a fun evening with Mrs. Deb Allen, Mrs. Chesher (Children's Librarian, Adrian District Library) and Mr. Eric Strasshofer (Madison High School Band and Choir Instructor) reading Camping books and telling stories around the campfire. Thanks to our volunteers – we couldn't have done it without you.

We have one more Scholastic Book Fair – BOGO! It runs Monday, May 1<sup>st</sup> through Friday May 5<sup>th</sup> in the Elementary Library, during school hours. Stop by to stock up for summer reading.

All books will be due the first week of June so check your closets, under your beds, on your bookshelves, in your lockers and desks – get those books back in!

## Donate Blood in memory of **Travis Ybarra**

Travis loved life and lived it to the fullest. He enjoyed fishing, bow hunting, and the great outdoors. Travis had the heart of a lion and the soul of a lamb. Travis donated his organs and tissue. This was his gift to others. Travis's legacy will continue through all who are blood, organ and tissue donors.

# Collaborative Art Project

From HS Art Teacher Linda Hooker:

After a lecture on creativity I had my high school students use the same 6 shapes to create a monster. Out of 70 drawings there was not one that even looked similar to any of the others. This is how I show creativity and how everyone has it.

Every HS student made a monster book mark that they would present to their buddy. So we went down to the 2nd grade class rooms with Mrs. Hall and Mrs. McNeil to share our creativity. I told the 2nd graders that I was sure they could come up with some very interesting monsters too. Each high school student sat with a 2nd grader and watched them draw their idea of a monster, give it a name and color it. The high school students exchanged a monster book-mark for their drawings.

After returning to our room each student created a 3rd Monster from the drawings out of Sculpy clay. They recreated, baked, painted and then had to create a display board to put their monsters on. To see the faces of my high school students full of excitement was priceless.

To say this was a win-win is an understatement. On Tuesday they returned the monsters to the original creator. My heart was so full that day watching the interaction with the high school and elementary students. Thank you Chrisanne McNeil and Kelsey Hall for allowing us to do this.

# April BSY Academic Enrichment Opportunity

During the BSY Spring Break intercession, students had the chance to visit Spartan Stadium, the Michigan State Dairy Store, Indian Creek Zoo, Kellogg Bird Sanctuary, and Camp Michindoh during the week of April 10—13.

# How you can help prevent substance abuse

The Madison Administrative Team recently met with Kelly McNicol, Substance Abuse Prevention Specialist at Communities In Schools (CIS) of Lenawee. The intent of the meeting was to discuss and determine steps in which Madison School District and CIS may partner to educate students about various facets of substance abuse. The District appreciates Kelly's expertise, advice, and guidance as we -- parents, students, faculty and staff -- work together to talk about substance abuse. Kelly has provided the following, *Parents: You Are the Greatest Influence*.

## **Parents: You Are the Greatest Influence**

"Research shows that the main reason that kids don't use alcohol, tobacco, or drugs is because of their parents -- because of their positive influence and because they know it would disappoint them. That's why it is so important that parents build a strong relationship with their kids and talk to them about substance abuse -- the earlier the better!" (National Crime Prevention Council, 2017).

## **5 Key Things Parents Can Do**

### **Build a warm and supportive relationship with your child.**

This starts from the time your child is born but continues through adulthood. Things you can do to develop this relationship include:

- Take time to learn about your child's hobbies.
- Engage in activities with your child.
- Work through challenges together.
- Strive for honest and direct communication.
- Allow him/her an appropriate degree of independence but make sure expectations have been discussed.
- Offer encouragement – examples of encouraging statements include (video examples can be found by visiting [www.drugabuse.gov/family-checkup/question-2-encouragement](http://www.drugabuse.gov/family-checkup/question-2-encouragement)):
  - "Keep on trying."
  - "You are learning a lot."
  - "I like the way you did that."
  - "I know that wasn't easy."

### **Communicate with your children about your stance on drugs and alcohol.**

Good communication can be the backbone of your relationship. Youth are more willing to listen and bring personal issues to parents when they feel they will be listened to. Tips to encourage communication include:

- Be present and tuned in.
- Show understanding.
- Listen with respect.
- Be interested.
- Give encouragement
- Avoid negative emotions.

### **Monitor, supervise, and set boundaries regarding your expectations.**

Research shows that parents who do this consistently with their kids reduce the risk of their children using drugs. Setting clear and consistent boundaries with age appropriate consequences teaches self-control and responsibility. Tips to assist you:

- State the boundary and consequence and be sure he/she understands.
- Catch the problem early.
- Avoid arguments or threats.
- Remember to use a firm and calm voice.
- Follow through each time.
- Offer encouragement each time a rule is followed.

### **Model appropriate behaviors.**

A parent's attitude and behaviors towards drugs and alcohol have great influence over his or her children's attitude and behaviors towards drugs and alcohol and can have lasting effects into adulthood. Tips to assist you:

- Do not become intoxicated or brag about being intoxicated in front of your child.
- When it comes to prescription drugs, follow the doctor's instructions. Do not save, use or share (this is actually illegal) left over medications. Instead, dispose of them properly at a local drug take back event or by using Red Barrel drop box (located at most of Lenawee County's police stations).

**Continued on next page**

## Build resiliency in your child to reduce their chances of using drugs.

Researchers have studied the lives of children who have chosen to not use drugs. Through this research it has been revealed that there are certain elements and developmental assets that can build enough resiliencies in children to reduce their chances of using drugs. Their data lead to 40 developmental assets that promote prevention and resiliency. These 40 assets fall into 8 categories. For a detailed description of these assets and how to promote them visit [www.search-institute.org](http://www.search-institute.org) or by calling (800)888-7828.

- Support
- Empowerment
- Boundaries & Expectations
- Commitment to learning
- Constructive use of time
- Positive values
- Social competencies
- Positive identity

## GSRP Preschool provides learning opportunities for youngest students

Madison's Great Start Readiness preschool program is now accepting new students. Children who are turning four years old, but who are less than five years old by September 1 are eligible. Children must reside in Lenawee County and meet state criteria for enrollment.

### To apply:

Please visit [lenaweefreepreschools.org](http://lenaweefreepreschools.org) to submit the interest form.

The GSRP office will then send you an application through the mail.

Complete and send the application in the self-addressed envelope provided by GSRP, or deliver it to the GSRP at the Porter Center. (2946 Sutton Road, Adrian, MI 49221)

Someone from the GSRP office will contact you concerning your eligibility.

Please note that children are not placed into the program on a "first come first serve basis," but are prioritized by the family's income and number of other risk factors.

## Recycled Fashion Show celebrates Earth Day

Thank You! From the Art Room

A big shout out and thank you to all those creative students, parents and everyone who participated in this year's "Recycled Earth Day Fashion Show."

On April 20<sup>th</sup> our students proudly took to the stage sharing their recycled creations, from elaborate bicycle belt designs to pop bottle cap vests, to glow in the dark jet packs and lots of handmade recycled outfits. The creativity was off the charts. It was evident our students and parents took a lot of time, thought and effort into their creations.

Thank you to Mrs. Pifer for being our emcee for the evening and who also provided the awesome background music. Thank You to Doug Miller our Tech person and to the PATT for their support. Thank You to Melodie Bradley for helping with crowd control, and to Brittany Murphy who took all the photographs.

Our after show Earth Day celebration continued into the PAC Lobby where we all gathered for dirt ice cream cups. Thank You to Cecelia San Miguel and Kim Garcia for scooping and serving it to everyone.

## May NHS Senior of the Month: Mason Palpant

**Parents:** Mike and Michelle Palpant

**GPA:** 3.5

**Academic Accomplishments:** Mason has been a member of NHS for two years. He has been on the VIP Honor Roll every trimester throughout his high school career. This fall he received the "Work Habits" award from the LISD Tech Center. This award is given to students who exemplify leadership and excellent work habits in the classroom.

**Extracurricular Involvement:** Mason has been involved in football for four years and track for three years. He was a captain of the football team his senior year, and received all county honorable mention his sophomore year, and 2nd team All-County his junior year. In track he has been recognized as an Academic All State athlete and also received All-County honors. He has volunteered with the Interact Club for one year.

**Communities Activities:** For the past nine years Mason has been a member of the Palmyra Future Leaders 4H Club. He has participated in several volunteer activities in our community such as ringing bells for the Salvation Army during the holidays.

**Plans after High School:** Mason plans to attend The University of Toledo to Study Electrical Engineering

## National Honor Society membership applications now available

Sophomores, juniors, and seniors interested in National Honor Society membership:

If you meet the scholarship requirement described below and would like to be part of this distinguished, service-oriented group, you should consider applying for NHS membership.

There are two ways to meet the scholarship requirement:

- Have a 3.5 cumulative GPA (or higher)
- Have a GPA between 3.4 and 3.5, but have taken at least one of these courses: Advanced English 10, Trigonometry, Pre-Calculus, Physics (see Mr. Madziar, Mrs. Tedora, or the high school handbook for more details)

More information, as well as the membership application can be found on the [Madison NHS webpage](#). The deadline for application is Wednesday, March 29.

## Support Madison football with sideline and end zone signs

The 48" x 28" a-frame signs are fully customizable with your business advertisement or personal message. You may choose a one-sided design that will be displayed for one season (four games) or a two-sided design that will be displayed for two seasons (nine games).

An end zone a-frame is now available! The 76" x 34" sign will be displayed for four full seasons! You will have the option of one sign, or two signs, with one being in each end zone.

Orders will be accepted through July 3, 2017.

Visit the Madison football page here to download an order form: <http://www.madisonk12.us/trojan-football/>

# Varsity Softball Updates

## Monday, April 24 vs Erie Mason

Game 1: Erie Mason 4 @ Madison 2

**Notice of Non-discrimination Policy** It is the policy of Madison School District that no person shall, on the basis of race, color, national origin, sex or handicap, be excluded from participation in, be denied the benefits or, be subjected to discrimination during any program or activity or in employment. Any questions concerning the Title XI of the Education Amendments of 1972, which prohibits discrimination on the basis of sex, along with inquiries related to Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap, should be directed to the Superintendent of Schools at Madison School District, 3498 Treat Highway Adrian, MI 49221. Phone 517-265-1840.

**Public Act 198 of 1971**, the Mandatory Special Education Act, establishes the right to handicapped person(s) from birth through the age of 25, to equal opportunity within the public schools. THIS MEANS THAT HANDICAPPED CHILDREN DO NOT NEED TO WAIT UNTIL THEY ARE SCHOOL AGE TO BENEFIT FROM SPECIAL EDUCATION SERVICES. It is important that help be obtained for the handicapped at the earliest possible age. In the State of Michigan, this help is free and is available through your public schools. A team of educational specialists evaluate the child to determine the type and degree of disability and the best kind of program placement. This evaluation often includes medical specialists. Pre-primary Special Education services are available for: Emotionally Impaired, Mentally Impaired, Physically & Otherwise Health Impaired (POHI), Hearing Impaired, Visually Impaired, Speech & Language Impaired, Specific Learning Disabled. If you know a pre-school child who may benefit from these services contact the Board of Education at 517-265-1840.

# Stay Connected.

*We Believe* - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
