

# MADISON MESSENGER

MADISON SCHOOL DISTRICT NEWSLETTER

JULY 2016

*Developing individual excellence through rigorous academics, innovative technology and personal attention*

## From the Superintendent's Desk:

I have been asked numerous times throughout the past few years if the District is able to provide, to families, an alternative payment method other than cash and checks. We were able to pilot an online payment option last years for a few specific activities with great success. Parents and faculty found the option to pay online convenient and very user friendly.

**Madison School District** is excited to offer **MySchoolBucks® School Store** for many activities that require fees for the upcoming 2016-17 school year! This online payment service provides an easy way to pay for items such as **locker and book deposits, field trips, event tickets, MYAC athletic registrations, yearbooks, Fifth Grade Camp, and 8<sup>th</sup> Grade Trip fees** using your credit/debit card or electronic check. In fact, beginning July 1, parents will be able to pay for next fall's locker and book deposits. Summer School registration is also now available for online payment. Finally, parents can continue to pay for 8<sup>th</sup> grade trip installments and purchase candy bars to sell.

### MySchoolBucks provides:

- **Convenience** - Available 24/7 on the web.
- **Efficiency** - Make purchases for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** - MySchoolBucks adheres to the highest security standards, including PCI and CISP.

### Enrollment is easy!

1. Go to [www.MySchoolBucks.com](http://www.MySchoolBucks.com) and register for a free account.
2. Add your students using their school name and date of birth or student ID.
3. Make purchases with your credit/debit card or electronic check. (No Fees!)

## Notice For Parents of Incoming 7th Grade Students

Dear Parents/Guardians,

Your child is entering 7<sup>th</sup> grade in the fall! How exciting for them! You may know that the State of Michigan requires certain immunizations before students can enter 7<sup>th</sup> grade.

For those of you that are interested, the phone number to the Health Department is 264-5226 to set up an appointment there.

New last year, if you prefer not to get your child immunized, you need to contact the Health Department. Schools are no longer allowed to give out waiver forms. You would use the same phone number as above to schedule your waiver appointments.

If you have any questions please feel free to contact me by email at [lisa.gentry@madisonk12.us](mailto:lisa.gentry@madisonk12.us) or by phone at 265-1843. I will be out of the office for the summer but I will check messages occasionally throughout the summer. You are also free to call the Health Department with questions, which may get you a quicker response.

Please try to get the immunizations as soon as you can and avoid the late summer rush! I would also like to include that they will need to be up to date in order to start school in the fall.

Sincerely,

Lisa Gentry

# Middle & High School Dress Code Reminders

Before you head to the stores to begin your back to school shopping, please take a moment to review the Dress Code policies in place in the Middle and High Schools.

## Dress Code

**Students should dress for success.** If students are to have an appropriate environment in which to learn and if parents and visitors are to have a favorable impression of our school, it is important that our students and staff dress in a manner that indicates their respect for one another and their appreciation that school is a place for work. The school Principal or Designee will be the final judge about whether a student's clothing is appropriate for school.

- Students shall not wear distracting and/or inappropriate clothing, such as shirts with inappropriate wording, logos in bad taste, clothing that represents gang affiliation, or clothing that is a threat to a student's health and safety, etc. Any items determined to be gang related will be confiscated and will not be returned.
- Students shall not wear slippers, hoods, bandannas, hats, gloves, and/or sunglasses at school. This is enforced both in class and in the hallways.
- Students shall not wear shirts and blouses that expose the midriff, and/or have a low neckline that exposes cleavage. All garments must be long enough to clearly overlap the beltline or stay tucked in.
- Male students must wear shirts that have sleeves. Sleeveless shirts for females are permitted, if the top of the shoulder and all undergarments are covered. Shirts should be buttoned up front in a normal manner.
- Shorts must be in good taste and not shorter than either the end of one's fingertips (fingertip length) when the arms are placed in a relaxed manner at one's side or within six inches of the top of the kneecap. Bike shorts, stretch spandex shorts, or thermal underwear are not permitted on or under clothing.
- Skirts must be in good taste and within three inches of the top of the kneecap.
- Leggings, jeggings, tights, and spandex-type bottoms (yoga pants, compression leggings, etc.) are not permitted unless worn underneath: shorts (within six inches of the top of the kneecap), skirts or tops (within four inches of the top of the kneecap) that comply with the dress code.
- Pants must be worn at the waist (*top of the hip bone*). Pants that do not stay at the waist are considered inappropriate attire. All undergarments must be covered.
- Jeans, pants, or shorts with frays, holes, cuts, or slits above the knee are not permitted.
- Undergarments /Sleepwear/Loungewear may not be visible and/or worn as outer garments.
- Students shall not wear jackets during the school day (dress up attire excluded). A jacket is defined as any loose-fitting top capable of concealing or obscuring objects. In addition, students shall not wear gloves during class. (The classroom teacher when environmental conditions are extreme will exercise professional discretion.)
- Students shall not wear chains of any sort, including but not limited to chains attached to wallets. Any chain brought to school will be considered a dangerous weapon as previously defined.
- Students shall not carry backpacks, purses, or gym bags to and from class except for physical education courses.
- Students shall wear items of clothing as they are intended to be worn.
- Students shall not write on their bodies. This creates a distraction to the learning environment and is not a healthy action.

Please review the Dress Code at a Glance reminder card on the website at:  
[www.madisonk12.us/handbooks/](http://www.madisonk12.us/handbooks/) for quick tips when selecting clothing for school.

# Nurse's Notes:

If your child needs to take medication(s) at school a medication form signed by parent and doctor is required. This form must be turned into the office with the medication in the original container. Over the counter medications, such as Tylenol and Motrin will also need a signed form. The medication form can be found on the website at [www.madisonk12.us/nurses-office/](http://www.madisonk12.us/nurses-office/) or in the building offices.

If you have any health concerns about your child, including any allergies or medical conditions that the school nurse should be aware of, please contact us. Nurse Ellen will be at Madison from 10:00 a.m.-2:00 p.m. every day (when school is in session). Please be sure to update your contact information and that of your emergency contacts. It is important that we have current information if there is a health issue with your child.

If you have any questions or concerns, please contact at Nurse Ellen at 263-0741 ext. 354, or [Ellen.Young@madisonk12.us](mailto:Ellen.Young@madisonk12.us).

## Plan Ahead for Fall Athletics

Summer is a great time to schedule your medical check-ups. Before you go, please download a 2016-17 physical form, have it completed by your physician, and return it to the athletic department. All athletes will need a current physical on file before beginning practice.

The 2016-17 Athletic Physical Form can be accessed on the website at: [www.madisonk12.us/trojan-athletics/](http://www.madisonk12.us/trojan-athletics/) or you may pick one up in the Middle and High School Offices.

Contact [Kris Isom](#), Athletic Director, at 517-263-0742 ext. 124 with any questions you may have.

## Title I Parent's Right to Know Letter

July 2016

Dear Parent/Guardian:

In 2001, the No Child Left Behind Act (NCLB) became law and is our country's most important federal education document. NCLB was designed to make changes in teaching and learning that will help increase academic achievement in our schools.

The law requires that schools receiving Title I funds notify parents of their right to obtain information about the qualifications of their child's teachers. Our elementary and our middle schools receive Title I funding and we are happy to share this information with you at your request. Nothing is more important to your child's education than having a well-prepared and highly qualified teacher. The law requires that all teachers and paraprofessionals in core content areas be "highly qualified" to teach in a school that receives Title I funding.

A "highly qualified teacher" must have:

1. A four-year college degree
2. A regular teaching certificate/license
3. Proof of his/her knowledge in the subject they teach

Michigan has some of the most qualified teachers in the country, and we are extremely proud of the quality of the teaching staff in the Madison School District. All of our teachers have at least a Bachelor's degree and many have advanced degrees. They all also have a State of Michigan required teaching certificate. In addition, each of our teachers is also involved in professional development activities throughout the year. All of our teachers are also evaluated annually and were determined to be effective or highly effective in their most recent evaluation.

A highly qualified teacher knows what to teach, how to teach, and has a full understanding of the subject matter being taught. We are confident that every teacher in our District is fully qualified and dedicated to teaching your child (ren).

I encourage you to support your child's education and communicate with your child's teacher(s) on a regular basis. For more information on NCLB, and the role of parents, please visit the United States Department of Education (USDE) Web site at [www.ed.gov/nclb](http://www.ed.gov/nclb). By partnering, families and educators can provide your child with the best education possible.

Sincerely,

Ryan L. Rowe, Superintendent

Madison School District is pleased to partner with you to offer opportunities for youth throughout the community. We believe that the foundation of education is a partnership that includes two-way communication between family, school, and community. With this in mind we wish to share District information with you and your business on a regular basis. We feel that *when community members join together to rally around its children to achieve a common goal, our schools and community grow stronger*. We wish to strengthen our relationship with our community members in an effort to provide more opportunities to families in our area. Additionally, we welcome your feedback and ideas for ways to improve our schools.

***As a way to get to know you better, we invite you to participate in the following community event:***

On Saturday August 6, 2016 the Madison Facilities for Athletic Needs (F.A.N.) Committee is hosting the 3<sup>rd</sup> Annual Tee Off for Trojans golf outing at Wolf Creek Golf Course. The event will include a continental breakfast, 18 holes of golf, lunch, games, and a raffle with proceeds supporting the Madison Indoor Athletic Facility.

The F.A.N. Committee strives to make a difference in the lives of student-athletes by providing the resources necessary for a quality sporting experience. Approximately 1200 students, ages 8-18, have benefitted from having access to the 11,000 square foot Indoor Athletic Facility. The building currently hosts practices and training for baseball, competitive cheer, football, golf, softball, wrestling, and Madison Youth Athletic Council activities. The space will also be used for hands-on educational activities that require a larger indoor area.

We would be grateful if you would join us in our efforts to support Madison student-athletes. Sponsorship opportunities are available for as little as \$50 and four-person teams may register for \$300. All sponsors will be recognized at the golf outing with custom signage the day of the event and in school publications (website, newsletter) as event sponsors.

If you are interested in serving as a sponsor for Tee Off for Trojans, or in assembling a team to play on August 6, please give us a call or simply mail your contribution and registration form to the address listed above. Feel free to contact one of the individuals below with any questions you may have.

The Madison School District publishes a monthly newsletter with important school information, announcements, and upcoming events. If you would like to receive the newsletter, please email [Lucas.Rains@madisonk12.us](mailto:Lucas.Rains@madisonk12.us) to be added to our mailing list. You are also invited to visit our website at [www.madisonk12.us](http://www.madisonk12.us) for more District information.

Our Balanced School Year students will return to class on Monday, July 27 and our Traditional School Year students will begin on Tuesday, September 8. We hope to see you at one of our many upcoming athletic events, music performances, or other community events.

Sincerely,

Ryan Rowe, Superintendent
