Madison Elementary School Home Reading Plan

Dear Madison Family,

On October 6, 2016, Governor Rick Snyder signed House Bill 4822 into law requiring all Third Grade students not scoring proficient on the Third Grade state summative assessment be retained.

Madison Elementary School educators have set out to approach this work in a positive way designed to embed best practice instructional strategies, use of balanced assessments designed to inform instruction and systems of support that differentiate teaching to the learning needs of students based upon appropriate data points. To accomplish these overarching goals, Madison Elementary School engaged educators from across Lenawee County and the state of Michigan to draw out the best thinking of individuals. We have successfully created a system designed to assist all stakeholders with the implementation of this law. In the process, Madison Elementary School has determined that embedding best practice instructional strategies, using balanced assessments designed to inform instruction, and systems that support the various needs of all students shall not be limited to grades K-3. Instead, all Madison Elementary School grade levels will participate in this system.

Third Grade Reading Law mandates that we use a balanced assessment system to determine student needs. Within the first thirty days of school, our students will be assessed with an initial screener to identify students who may be at risk of not reading proficiently. Classroom teachers will administer a comprehensive diagnostic assessment to determine the specific deficiencies of these children. Once needs are determined, an Individualized Reading Improvement Plan (IRIP) is developed. The IRIP will include the specific focus area, the instructional goals, the strategies we are currently using for instruction, the interventions we will put in place to target the deficiency, and the assessment we will use to monitor the progress of the student.

Please contact us with any questions.

Sincerely,

Abby Miller	Nate Pechaitis	Heidi Miller

News from the Madison District Media Center

We have gotten off to a great start with our new merged District Library/Media Center. It's a very busy place!

Reminder: If your student has any overdue books, they will not be able to check out any more books until they are returned or the fines have been paid. Fines do carry over from former years as well.

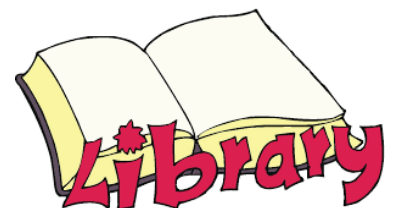

Starting October 1st, each Lost/Damaged book fine will be \$10. If the book is returned and in good condition, the \$10 will be refunded. Fines will be payable by cash and check (in the Media Center) and on My School Bucks. I will receive an email when the fine has been paid on My School Bucks and will record it on the student's account. They will then be able to check out books again. Please help us help your student learn accountability and responsibility and have access to the library books all year.

Book Fair: December 4-8

We will have an Elementary/Middle School Scholastic Book Fair in the Media Center during the week of December 4th-8th. We will be having the book fair in the Elementary Commons during conferences on Thursday (12/7) afternoon and evening. If you are interested in volunteering to work at the Book Fair, please email me at janet.graham@madisonk12.us. There are morning and afternoon time slots available all 5 days.

Please feel free to contact me if you have any questions or concerns. Thanks for your interest in making our new District Media Center a great place for all Madison students!

The Madison Way

On Friday, September 8th, the Middle School students held an assembly to introduce a new program for this school year. The students will be awarded “mad money” for their positive behavior this year where they can enter to win special prizes! The assembly featured videos that Middle School teachers created to promote this good behavior. A lucky bunch of students received the first batch of prizes to kick off the new year.

Positive Behavioral Interventions & Supports (PBIS) as well as the existing “Madison Way” are the foundations for this year.

We Are Responsible. We are Respectful. We are Ready. We are Safe.

Washington DC Trip Parent Meeting

The 8th Grade Trip to Washington DC is quickly approaching! Those who are going on the trip will go from October 26-28.

There will be a meeting for parents and students who will be attending the Washington DC trip on Tuesday, October 10 at 5:45pm in the dining room. This meeting will cover everything parents and students need to know about the trip in regards to an itinerary, what to pack and what not to pack, emergency forms, etc.

Any questions leading up to the trip may be sent to Mrs. Matthews (danyelle.matthews@madisonk12.us)

Fun Friday

The Middle School students had their first “Fun Friday” of the year on Friday, September 22. In order to earn the right to participate in fun activities, students had to reach a goal based on the four pillars of the Madison Way: Responsible, Respectful, Ready, and Safe.

Activities included dodgeball, computer games, arts and crafts, karaoke, movies, and more!

BSY INTERCESSION (No School): Oct. 23-27

Fall Frenzy - October 6, 2017

Madison Middle School has been fortunate to have held on to an 11 year tradition of a school-wide team building day. In the past this exciting day has been known as May Madness and June Jubilee, but with state testing it has been difficult to keep this event during the spring. However, the team is determined to make this day happen every year no matter what!

With that said, Friday, October 6, 2017 is scheduled for this year's "Fall Frenzy" team building day (rain make-up date is October 13). The day is spent with teams of students from all grade levels participating together to accomplish various games and activities. Teams are rewarded for their team sportsmanship rather than who finishes first, emphasizing the team concept.

To further emphasize the team concept we like to all wear a student designed shirt the day of the event. Each team captain selects a color to show team unity. The entire school participates in this event and purchases the T-shirts.

This is a really special event for the Middle School, which results in new friendships and long-lasting memories. If you have any questions, please contact Mrs. Matthews (danyelle.matthews@madisonk12.us)

8th Grade Excursion

8th Grade students who are not attending the Washington DC trip will be going on two trips on Thursday, October 26 and Friday, October 27. The cost of the trips to Henry Ford Museum and Adventure Park will be \$37, with payment due on MySchoolBucks.com by Tuesday, October 10.

A permission slip must be signed by a parent or guardian by Tuesday, October 10.

More information can be found here:

Parent Help Wanted for After Prom!

After Prom is an event held at Madison that starts immediately after Prom ends and runs until approximately 4:30 a.m. It is completely funded and run by the parents to provide a safe, fun place for students to spend the night. We have food, activities and raffles with prizes for every Madison student that attends, at a minimal cost to them. We generally have over 100 students take advantage of this opportunity.

This event costs several thousand dollars and we are already working on raising money. We do it through requests to businesses, working at MIS and other fund-raisers.

Junior and Senior parents – we are looking for volunteers to help with the planning and fund-raising. We try to meet once a month throughout the school year. Our next meeting is on Wednesday, October 4 at 6:30 p.m. at ZZ's Bar and Grill. Please join us!

Please email janet.graham@madisonk12.us if you are interested in helping and would like to be added to our distribution list.

NHS Hosting “Socktober” For Charity

For the month of October, the National Honor Society will be hosting “Socktober”. Students may bring new socks to their first hour class. These will be donated to Share the Warmth, a local shelter during the winter months. The goal of this project is to help area homeless through the cold weather, so donated socks must be new, warm and preferably gender-neutral. The winning first hour class will be treated to donuts at the end of October. Please consider supporting this cause.

National Honor Society

GOLDEN group

This month, the Madison National Honor Society is proud to recognize our Summer Blood Drive Crew as our *Golden Group*. The combined efforts of **Emma Freshcorn, Katie Hamann and Erica Lynn** propelled our first summer drive to a success. In addition to having nearly 50 donors show, the American Red Cross staff said, “today’s drive was AWESOME and smoothly run.” Without the dedication, leadership, and willingness of these young ladies our drive would not have had the same outcome. Ladies, you truly demonstrated what it means to serve others and illuminated the characteristics of being a National Honor Society member.

Thank you for setting an example and being GOLD!

Who is CUC For?

The Character Under Construction program is targeted at students who are missing or need work to develop certain character traits such as Honesty, Citezenship, Trustworthiness, Respectfulness, Forgiveness, and Responsibility. CUC provides the youth with lessons and activities to help build these traits and keep them from joining the trend of unacceptable adolescent behavior.

Lessons

The Character Under Construction lessons are designed with anti-bullying themes and complement the core values taught by any school system. With over sixty lessons on topics like Respect, Trustworthiness and Honesty, everyday life is exemplified and illustrated. The secret to the success of these lessons is that they are practical and easily understood by all students.

Effectiveness

The CUC lessons are designed to be taught in any public school classroom setting for any audience. The lessons are in compliance with government guidelines as they are neutral, objective, and academic. The impact of these lessons in schools results in more respect and better manners toward teachers and other students. This has leads to a significant decrease in discipline handed out for unacceptable behavior among students who participate in CUC lessons.

Trunk or Treat

Event Date: Sunday, October 29th

Vehicle Registration Form Due Date: Monday, October 23rd

Thank you for participating in this event. This is an opportunity for families attending the event, to safely trick or treat out of the decorated trunks of parked cars. Trick or treating will take place from 2pm-4pm, so please arrive with your "decked out trunk" no later than 1pm (you may come as early as 11am) in order to find your assigned parking space and prepare for the arrival of Trick or Treaters.

****PRIZE FOR BEST DECORATED TRUNK****

Guidelines:

Your "trunk" can be simple or elaborate, it is up to you. As you are dreaming up ideas, consider your trunk as the stage on which you will perform in your coordinating costume with fun scene settings and props. Electricity will not be available on site. Please keep in mind the young children, so nothing too scary.

When selecting treats for "Trick or Treaters", candy (pre-wrapped & sealed) is certainly an obvious choice but other favorite treats include pencils, pens, erasers, glow sticks, bracelets, bookmarks, stickers, notepads, bouncy balls, and fake tattoos.

Directions:

Please complete the registration form below and return to: Dawn Opsal, Madison School District, Central Office, 349B Treat Hwy., Adrian, MI 49221, Fax #: 265-5635, Email: dawn.opsal@madisonk12.us. Questions call 265-1847.
