MADISON SCHOOL DISTRICT NEWSLETTER

JULY 2015

*Developing individual excellence through rigorous academics, innovative technology and personal attention*

## From the Superintendent's Desk:

Hello Madison Family! I sincerely hope you are enjoying a wonderful summer break. During the summer it is important to continue opportunities that keep us engaged through academic, social, and physical activities. Madison Schools are proud to continue to offer opportunities to students all summer long. Students recently took the opportunity to participate with a Project Lead The Way (PLTW) BioINVENT Camp, Competitive Cheer Open Gym, Madison Youth Athletic Council (MYAC) basketball camp, and Trojan Football Team Camp, to name a few.

We are also excited to host two additional fun learning opportunities the week of August 3-7. There will be a Performing Arts Camp for grades 4-7 and a Technical Theatre Camp for grades 8-12. Both will be held in the Performing Arts Center from 9:00 a.m.-1:00 p.m. Specific information is available through flyers available to you on the district website.

Speaking of the website, the district recently launched a new and more mobile-friendly website. If you haven't yet had the chance, please visit [www.madisonk12.us](http://www.madisonk12.us) for various information and resources, including the 2015-16 district calendar and other back to school information. As you use this resource, if you find ways that we can enhance the website for all stakeholders, please feel free to send your suggestions to Rebecca Schwan at [Rebecca.Schwan@madisonk12.us](mailto:Rebecca.Schwan@madisonk12.us).

Also on the website is information regarding Schools of Choice. If you or someone you know is interested enrolling children in Madison School District, please guide them to the Schools of Choice tab.

Finally, the first day for elementary students enrolled in the Balanced School Year program is Monday, July 27. We look forward to welcoming these students back to school and hope to see you at the BSY Open House on Tuesday, July 21.

Ryan Rowe  
Superintendent

## Grants Awarded to Instrumental Music and Performing Arts Departments

Thanks to the continued support of the Elizabeth Ruthruff Foundation, Madison students will experience new opportunities in the arts this fall. The marching band will receive \$3,500 for a new sousaphone, the orchestra will receive \$1,000 for new instruments, and the PAC will receive \$5,000 to assist with the addition of a new technical theatre course in conjunction with the LISD TECH Center.

The Elizabeth Ruthruff Wilson Foundation seeks to enrich the Lenawee County region's cultural life through its support of, education in, performance of, and appreciation for the performing arts. The Foundation's primary focus is on music and performing arts programs that benefit the Lenawee County community and/or students.

The partnership between Madison Schools and the Elizabeth Ruthruff Foundation provides countless opportunities for our students to explore the arts, and we are extremely grateful for its continued support of our performing and musical arts programs.

Theresa Powers of the Elizabeth Ruthruff Wilson Foundation presents the grant awards to Superintendent Rowe at the spring orchestra concert on June 2.

# Middle & High School Dress Code Reminders

Before you head to the stores to begin your back to school shopping, please take a moment to review the Dress Code policies in place in the Middle and High Schools.

## Dress Code

**Students should dress for success.** If students are to have an appropriate environment in which to learn and if parents and visitors are to have a favorable impression of our school, it is important that our students and staff dress in a manner that indicates their respect for one another and their appreciation that school is a place for work. The school Principal or Designee will be the final judge about whether a student's clothing is appropriate for school.

- Students shall not wear distracting and/or inappropriate clothing, such as shirts with inappropriate wording, logos in bad taste, clothing that represents gang affiliation, or clothing that is a threat to a student's health and safety, etc. Any items determined to be gang related will be confiscated and will not be returned.
- Students shall not wear slippers, hoods, bandannas, hats, gloves, and/or sunglasses at school. This is enforced both in class and in the hallways.
- Students shall not wear shirts and blouses that expose the midriff, and/or have a low neckline that exposes cleavage. All garments must be long enough to clearly overlap the beltline or stay tucked in.
- Male students must wear shirts that have sleeves. Sleeveless shirts for females are permitted, if the top of the shoulder and all undergarments are covered. Shirts should be buttoned up front in a normal manner.
- Shorts must be in good taste and not shorter than either the end of one's fingertips (fingertip length) when the arms are placed in a relaxed manner at one's side or within six inches of the top of the kneecap. Bike shorts, stretch spandex shorts, or thermal underwear are not permitted on or under clothing.
- Skirts must be in good taste and within three inches of the top of the kneecap.
- Leggings, jeggings, tights, and spandex-type bottoms (yoga pants, compression leggings, etc.) are not permitted unless worn underneath: shorts (within six inches of the top of the kneecap), skirts or tops (within four inches of the top of the kneecap) that comply with the dress code.
- Pants must be worn at the waist (*top of the hip bone*). Pants that do not stay at the waist are considered inappropriate attire. All undergarments must be covered.
- Jeans, pants, or shorts with frays, holes, cuts, or slits above the knee are not permitted.
- Undergarments /Sleepwear/Loungewear may not be visible and/or worn as outer garments.
- Students shall not wear jackets during the school day (dress up attire excluded). A jacket is defined as any loose-fitting top capable of concealing or obscuring objects. In addition, students shall not wear gloves during class. (The classroom teacher when environmental conditions are extreme will exercise professional discretion.)
- Students shall not wear chains of any sort, including but not limited to chains attached to wallets. Any chain brought to school will be considered a dangerous weapon as previously defined.
- Students shall not carry backpacks, purses, or gym bags to and from class except for physical education courses.
- Students shall wear items of clothing as they are intended to be worn.
- Students shall not write on their bodies. This creates a distraction to the learning environment and is not a healthy action.

**Please review the Dress Code at a Glance reminder card on the website at:**  
[www.madisonk12.us/handbooks/](http://www.madisonk12.us/handbooks/) for quick tips when selecting clothing for school.

## PLTW Completes Course with Collaborative Project

On May 29<sup>th</sup> Madison's PLTW Human Body Systems class collaborated with Sand Creek's PLTW class for a Human Body Systems Survivor Challenge final performance assessment.

Students were paired together and were given an "extreme environment with a patient case scenario." They had to research and illustrate how they survive within the first 12 hours, three days, and eventually 12 days alone with limited resources and injuries to the human body. The students used concepts learned from the year and collaborate on shared knowledge and skills. The Ultimate Survivor team with the best overall presentation won a Survivor Stick and Crown to be hung in the classroom until next year's battle.

## Exploring Science & Medicine at Camp BioINVENT

Twenty-one Madison students kicked off their summer at PLTW Camp BioINVENT. Throughout the week, they conducted labs that involved forensic analysis, infectious disease, endocrinology, neurology, and biomedical engineering. Students worked together throughout the week to design an artificial heart valve that they took to the LISD TECH Center to compete against Onsted students. The camp was led by PLTW teachers Katie McGormley and Bonnie Dietrich.

What our families said about Camp BioINVENT:

*"It makes my day when my grandson comes home and tells us about his day and all he has learned."*

*"My daughter has learned so much this week at BioINVENT! I have loved sharing that she is getting to have this experience at Madison!"*

## Best Wishes to Mrs. Mary Radant

Kindergarten teacher, Mrs. Mary Radant, has chosen to retire after 45 years of dedicated service to the families of Madison Elementary School. She was recognized at the kindergarten graduation ceremony where she was awarded with a diploma of her own. Mary began the kindergarten graduation ceremony in 1988 as a way to recognize students for their accomplishments. Mary also received an engraved school bell at the year-end staff recognition luncheon.

Many changes in technology and teaching methods occurred during Mary's tenure, but her love for teaching never wavered as naptime gave way to increased educational requirements and slide projectors were replaced with electronic white boards and hand-held tablets. She says it always meant a lot to her to have former students request her to teach their children.

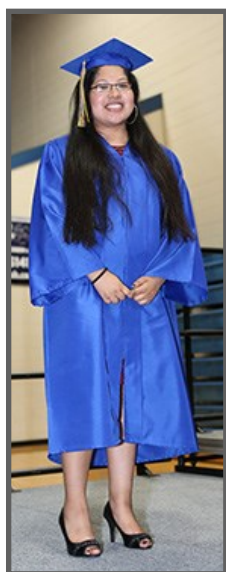

Mary's family held a reception in her honor on June 28 in the Elementary Café where friends and colleagues met to wish her well. Mary says that she will turn her focus to family, travel, and volunteer work. Congratulations, and thank you Mary, for your loving care of our Madison Family. We wish you well and hope that you will visit us often!
