

## From the Superintendent's Desk:

This summer Madison School District will join other school districts and educational organizations, throughout Lenawee County, to offer a Summer Literacy "Pop-up" Lab. The Cradle to Career (C2C) Reading by 3rd Grade Network has provided leadership and collaborated with Madison administration, faculty, and staff to plan for this exciting opportunity. Madison's "pop-up" literacy activities will be available at no cost. Students will engage in reading and writing activities throughout the summer, over an eight-week period. Students are invited to join us Tuesdays and Thursdays from 9:00 a.m. – 11:00 a.m. in the Performing Arts Center (PAC) lobby beginning June 19th. A parent or guardian is required to be in attendance during the lab.

Melissa Wilson, Lenawee Intermediate School District Director, Center for Educational Materials and Technology & Curriculum Consultant states, The Lit Labs offer opportunities for children to develop literacy outside of the school hours by engaging in free reading, writing, and science activities.

### C2C Literacy (Reading by Third) Network

**Vision: EVERY CHILD. EVERY PLACE. THROUGHOUT THE YEAR.**

**Mission:** I see myself as a successful reader and writer. I am encouraged to read and write about topics that interest me so I can develop meaningful connections to the world around me. My home, school, and community work together to prioritize literacy opportunities for me.

### SUMMER LEARNING INITIATIVE GOALS

1. Facilitate opportunities for every child to read books and access texts during the summer, reducing the amount of "book desserts" in Lenawee county
2. Provide writing resources and free high interest books to increase the likelihood that children will voluntarily engage in literacy activities (reading and writing)
3. Empower families to share their voice (story) in order to strengthen the literacy environment in the home, regardless of education level, income, or native language of the primary caregivers
4. Continue to build organization-wide and classroom-level partnerships with local businesses and other organizations that facilitate opportunities for children read and write during the summer beyond school assignments

The Lenawee Summer Literacy Initiative was developed by the Lenawee ISD in collaboration with the Cradle to Career, Reading by 3rd Network. Working through the collective impact model, the strength of the summer learning initiative stems from strategic partners and district connectors working to align community, school, and families to a common goal. The MAISA GELN Early Literacy Taskforce Essential School-Wide and Center-Wide Practices in Literacy document identifies 10 research-based system-level practices that can be implemented at the organizational level in educational and care settings that serve young children. Each of the ten recommended school-level or center-level systems and practices should occur in all Michigan schools and early childhood care settings. Practice 9 specifically addresses summer learning as an important piece of the literacy puzzle: “An Ambitious Summer Reading Initiative Supports Reading growth.”

The Cradle to Career Reading by 3rd Grade Network, working through the LISD, and with local school districts will provide 13 free, weekly “pop-up” activities to engage students reading, writing, and STEM activities throughout the summer. We will strive together to reduce the impact of summer learning loss by providing weekly Lit Lab Pop-Ups throughout the county. The Lit Lab Pop-Up program is literally a “county-wide” initiative, with each Lenawee county school district playing host to a Pop-Up, the Adrian BGC, and an additional evening Pop-Up hosted by the Lenawee Habitat for Humanity at Parish Park.

The Lit Lab Pop-Up offer opportunities for children to develop literacy outside of the school hours by engaging in free reading, writing, and science activities, including Makerspace challenges. The Lit Lab stations will be led by local district educators and assisted by volunteers from the Lenawee Foster Grandparent Program.

Every week, children and adults will select a book of their choice from the “little free little book fair,” to build home libraries and increase read aloud opportunities. Goodwill Industries of Southeastern Michigan has donated over 7,000 lbs of gently used books for use in this project. Families will be given “Home Lit Kits” to encourage a child’s literacy development at home.

Please stay tuned for more information regarding this exciting opportunity!

### Goals

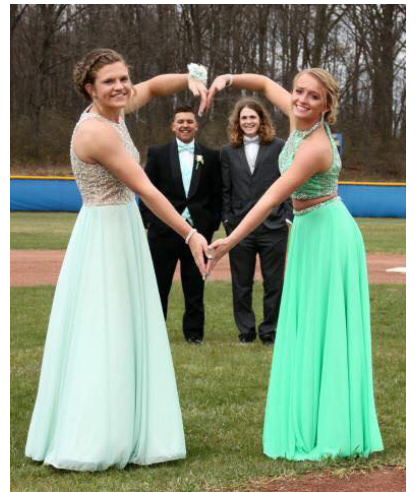

1. Increase access to books for children living in areas of “book deserts.”
2. Increase the likelihood that children will voluntarily engage in literacy activities.
3. Empower families to strengthen the literacy environment in the home.
4. Strengthen organization-wide and school-level partnerships with local businesses and other organizations that facilitate opportunities for children to read and write during the summer.

**Child. Every Place. Throughout the Year.**

## High School Art Students Show Work at County Exhibit

Madison High School Art Students have their work in the Lenawee County High School Exhibition at the Adrian Center for the Arts through May 20th. Taylor Jordan, Lindsey Morris, Reese Dillard, Monica Graham and Kayla Bozyk are the artists.

## Travis Ybarra Memorial Blood Drive - Wednesday, May 30

Madison will be hosting a Red Cross Blood Drive in memory of Madison graduate Travis Ybarra on Wednesday, May 30 from 11:00 a.m. - 4:45 p.m. in the Performing Arts Center.

Travis loved life and lived it to the fullest. He enjoyed fishing, bow hunting, and the great outdoors. Travis had the heart of a lion and the soul of a lamb. Travis donated his organs and tissue. This was his gift to others. Travis's legacy will continue through all who are blood, organ, and tissue donors.

Online registered donors, who come in and donate, will have their name placed into a drawing for a \$50.00 Target gift card or for one of the two original paintings.

Justin and Michael Fox, two young and very talented 7th grade Madison middle school students artist, donated their time and talent to honor my son. Our family expresses our gratitude. Your decision to give the gift of blood/platelets/plasma to save the life of another person is unmeasurable.

Contact [Raquel.Ybarra@madisonk12.us](mailto:Raquel.Ybarra@madisonk12.us) for more information. To schedule an appointment, go to [redcrossblood.org](http://redcrossblood.org) and enter sponsor code: TROJANS.

## GSRP Preschool provides learning opportunities for youngest students

Madison's Great Start Readiness preschool program is now accepting new students. Children who are turning four years old, but who are less than five years old by September 1 are eligible. Children must reside in Lenawee County and meet state criteria for enrollment.

### To apply:

Please visit [lenaweefreepreschools.org](http://lenaweefreepreschools.org) to submit the interest form.

The GSRP office will then send you an application through the mail.

Complete and send the application in the self-addressed envelope provided by GSRP, or deliver it to the GSRP at the Porter Center. (2946 Sutton Road, Adrian, MI 49221)

Someone from the GSRP office will contact you concerning your eligibility.

Please note that children are not placed into the program on a "first come first serve basis," but are prioritized by the family's income and number of other risk factors.

# Latch-Key Registrations for 2018-19 School Year

Open registration will begin on May 4, 2018. There are 96 online applications that will be available for the year.

If you are interested in the 2018-2019 Latch-Key before and after school care program, an application can be completed on My School Bucks. A non-refundable \$10.00 application fee will be added to your account. An application must be completed for each child.

Your child's application will only be approved after all outstanding obligations are cleared from your child's My School Bucks account.

If you receive child day care assistance from the state, please notify me before the beginning of the school year as there is a form that needs to be completed and submitted to the State.

## Fees and payment:

### **Morning OR Afternoon Session:**

- \$22.50 per week for the first child and \$18.50 per week for each additional child

### **Morning AND Afternoon Session:**

- \$40.00 per week for the first child and \$33.00 for each additional child

### **Late Fee Charges after 5:30pm\***

- \$10.00 will be added to the account for 1-15 minutes past the end of the program
- \$20.00 will be added to the account for 15-30 minutes past the end of the program

\*State paid childcare will not cover late fees.

Flat rates will continue to be added to your account until you contact us to withdraw your child from Latch-Key. Your child may be removed from Latch-Key after two weeks of non-payment. Outstanding accounts will be turned in to the Central Office for further processing.

## **Payments will only be accepted on online on My School Bucks.**

The goal of our Latch-Key program is to provide your child with a safe and fun learning environment in which s/he will continue to grow cognitively, physically, socially and emotionally.

Thank you,

## Fundraising Opportunities

Candy Bars are here for those interested in selling to raise money for their 8th grade trip next year. There is limited stock for each. Options are Caramel or Mixed. Cost per box is \$60 with 50% going toward your student’s account. You may go to MySchoolBucks to purchase. Bring in your receipt to the Middle School office to pick up your orders. Please DO NOT come into the office to purchase with cash. This allows for a written record for the student, the Central Office, and Mrs. Matthews who is keeping track of everyone’s account.

Products can be seen by our current 7th graders only. (any students split grade level 7/8 and listed as 8th won’t see this product). Products are alphabetical so parents will need to look towards the end for the “w”.

If you have any questions please contact Mrs. Matthews ([danyelle.matthews@madisonk12.us](mailto:danyelle.matthews@madisonk12.us))

## MEAL CHARGING

The purpose of having a meal charging policy is to establish consistent clear meal account procedures throughout the district. There is a fine line between considering the fiscal integrity of the district and the solvency of the food service program while also meeting the nutritional needs of students.

### Goals:

- A. To ensure that students have a healthy meal and that no child goes hungry.
- B. To treat all students with dignity and confidentiality in the serving line.
- C. To foster clear positive communication among staff, administrators, teachers, students and parent/guardian.
- D. To establish fair practices that can be used consistently throughout the district regarding meal charges and the collection of charges.
- E. To encourage parent/guardian to assume the responsibility of meal payments and to promote self-responsibility of their child/student.

### SCOPE OF RESPONSIBILITY:

#### The Nutrition Department:

- A. Responsible for maintaining meal account records.
- B. Responsible for notifying the student's parent/guardian with phone calls or written documentation after credit limit has been reached. Responsible for working with households toward a reasonable resolution.

#### The Parent/Guardian:

- A. Responsible for immediate payment.

### MEAL ACCOUNTS:

The District strongly discourages meal charges, but understand that it occasionally happens. Meal charges are a temporary solution and are not intended to address broader issues of a parent/guardian's inability to pay for a meal for his/her child. In those instances, an application for Free or Reduced Meal Benefits should be completed. Free and Reduced Meal Applications are available in the cafeteria, the school office, and on the district website.

Parents/guardians are encouraged to make meal payments in advance. Personal checks and cash deposits are accepted at the student's home school. For convenience, deposits may also be made by credit/debit card after setting up an account for the student on Mosaic (MySchoolBucks), the district's online payment system. All students may have a personal account regardless of paying status (free, reduced or full pay).

Similar to a bank account, each student has a school ID number which stays with them for their duration in the Madison School District. When using the Mosaic (MySchoolBucks) system, parents/guardians can access cafeteria purchases and account balances at any time. Lunchroom cashiers will verbally notify students at the register when their meal account balance is low, specifically when it reaches the value of two equivalent lunches or less.

## MEAL CHARGING POLICY:

Although not required by law through the National School Lunch Act or the Healthy Hunger Free Kids Act, limited meal charging will be allowed, as a courtesy to families, under the following conditions:

- A. Students may charge any combination of meals (breakfast and lunch) up to a total of \$12.50.
- B. No charges may be made in the ala carte line.

### Middle and High School

Only reimbursable meals may be charged.

- A. Students may charge any combination of meals (breakfast and lunch) up to \$12.50.
- B. Students will be notified verbally at the register when their balance is low, specifically the dollar value of two lunches or lower and/or when they are in arrears.
- C. When a student charges a meal, their meal balance becomes a negative balance.
- D. Repayment is expected for all charged meals and meal supplements.
- E. Once a student has reached the charge limit, students will be provided with a meal supplement (a protein, a fruit or vegetable and milk for lunch and graham cracker packet, a fruit or vegetable and milk for breakfast).
- F. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Payment must be made in full to the Food Service Department.
- G. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Payment must be made in full to the Nutrition Service Department or grades, report cards, diplomas and other privileges may be withheld.

# Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
