Madison Elementary School Receives Grant

2018-19 School Improvement Goal to Focus on the "Whole Child" through strategies related to Nutrition, Physical Activity, and Social & Emotional Health

This spring, Madison Elementary School was awarded the Incorporating Health and Wellness Into School Improvement Plans Statewide Pilot (IHSIP) grant. This grant is funded by the Michigan Health Endowment Fund to begin the work of incorporating a health related goal into the School Improvement Plan.

Michigan Elementary & Middle School Principals Association (MEMSPA) is collaborating with the Michigan Department of Health and Human Services (MDHHS), Michigan Department of Education (MDE) and the Michigan School Health Coordinators Association (MiSHCA) to Integrate Health Into School Improvement Planning. Madison Elementary School is one of 12 schools in Michigan chosen to focus on Student Health and Academic Achievement. This is a process grant that invites schools to attend to the needs of the whole child. We recognize that, "Together, we can make a difference".

Our 2018-19 School Improvement plan will include a health related goal with three measurable objectives. By implementing strategies related to nutrition, physical activity, and social & emotional health, we will improve our school health and, as a result, we expect to see improved academic performance and fewer behavior incidents.

One difference you'll notice this year is the way we celebrate birthdays. In lieu of birthday treats, we will celebrate your child's birthday with a special activity. At the June Board of Education meeting, the Madison Board of Education approved the following update to the Madison Elementary Handbook:

At Madison Elementary School, we believe keeping children healthy and safe. The rate of childhood obesity, food allergies, food sensitivities, and foodborne illness is increasing at an alarming rate. To that end, we will partner with you to promote our nutritional goals.

Birthday Celebrations

We ask for your support for food-free birthday celebrations. We realize that children want to feel special on their birthday, but we ask that we do not use food in the classroom to celebrate. Instead, we will ask your child to choose a special activity from the birthday celebration menu, empowering your child to choose an activity to make his or her special day a memorable one. If there is something that your child would rather do, please contact the teacher. Activities should be able to be completed/shared in 15 minutes. Your child's teacher will communicate with you near the time of his or her birthday. The Madison birthday celebration menu includes:

- Dance Party/GoNoodle Party
- Show & Tell
- Extra Recess
- Choice Time
- Classroom Games
- Guided Drawing/Art Project
- Favorite Book/Guest Read Aloud
- Pick Your Seat

This award is presented to individuals who work at the local or grass-roots level and live by the true spirit of volunteerism which is the cornerstone of the fraternal benefit system. Heather Barber, Chad Barber and Greg Choinski were recognized for their countless hours volunteering in the Madison community with the Madison Youth Athletic Council, providing our younger students with athletic opportunities/experiences where kids learn the importance of teamwork, sportsmanship, perseverance, respect for authority and rules, how to win with class and lose with dignity. Attention Elementary Parents: during drop off please avoid using the reserve parking for our Foster Grandparents. Our volunteers give over 20 volunteer hours a week and need to be in their classroom early. Thank you for your consideration in this matter.

GSRP Preschool provides learning opportunities for youngest students

Madison's Great Start Readiness preschool program is now accepting new students. Children who are turning four years old, but who are less than five years old by September 1 are eligible. Children must reside in Lenawee County and meet state criteria for enrollment.

To apply:

Please visit lenaweefreepreschools.org to submit the interest form.

The GSRP office will then send you an application through the mail.

Complete and send the application in the self-addressed envelope provided by GSRP, or deliver it to the GSRP at the Porter Center. (2946 Sutton Road, Adrian, MI 49221)

Someone from the GSRP office will contact you concerning your eligibility.

Please note that children are not placed into the program on a "first come first serve basis," but are prioritized by the family's income and number of other risk factors.

Field Day 2018

The Madison Elementary Physical Education Department would like to extend our sincere thanks to all our volunteers that worked at Field Day 2018! We had a great group of volunteers that worked hard to make field day a great experience for our 1st through 5th grade students. This was the largest group of volunteers that we have had for Field Day in recent memory, and you all helped make it a day that we will not soon forget. Thank you!

Sincerely,

Fundraising Opportunities

Candy Bars are here for those interested in selling to raise money for their 8th grade trip next year. There is limited stock for each. Options are Caramel or Mixed. Cost per box is \$60 with 50% going toward your student’s account. You may go to MySchoolBucks to purchase. Bring in your receipt to the Middle School office to pick up your orders. Please DO NOT come into the office to purchase with cash. This allows for a written record for the student, the Central Office, and Mrs. Matthews who is keeping track of everyone’s account.

Products can be seen by our current 7th graders only. (any students split grade level 7/8 and listed as 8th won’t see this product). Products are alphabetical so parents will need to look towards the end for the “w”.
