

From the Superintendent's Desk:

Will you choose to avoid traffic congestion at Madison Elementary School this year?

You do have an option!

The Elementary Commuter Bus will again be offered to elementary students throughout the 2018-19 school year

What: A Madison School bus will meet parents/guardians and elementary students for pick up and drop off at the north end of the Family Kitchen Restaurant parking lot

When: The bus will depart the far north end of the Family Kitchen Restaurant parking lot each morning at 7:53 a.m. to bring students to school and meet parents/guardians at 3:47 p.m. after school

How: E-mail Jerry Isom at jerry.isom@madisonk12.us with your name as well as your child(ren)'s name(s) with the subject line "Commuter Bus Run" to sign up for this opportunity

Why: An effort by the District to reduce traffic flow at Madison Elementary School before and after school, and as a service to parents/guardians

Benefit to the school is:

- Less congested traffic flow and parking lot with a more efficient drop off and pick up process

Benefits to parents/guardians are:

- Opportunity to meet the bus at 7:53 a.m. and depart to work or home with no delay
- Eliminate the need to rush to school between 3:00 – 3:30 to park and pick up your child. Simply meet the bus at 3:47 p.m. avoiding inclement weather, with plenty of room to park

Where: Corner of 223 and Treat (very north end of the Family Kitchen Restaurant parking lot)

PLTW Summer Camp Recap

This year's PLTW Summer Camp was a science and technology mash-up. Middle school students were busy learning and having fun! They used the design process to design and build chariots out of K'nex. They then learned to program Sphero robots. They learned how to use a computer aided design software to design and 3D print their very own driver. On the final day students raced their chariots pulled by their programmed robots.

It was truly a week of fun. Students participated in coding challenges, designed and raced mini sail cars, competed with their robots in curling, long jump, and other competitions, and even created with 3D pens and grew crystals. Mr. Rowe didn't want to be left out so he jumped in and grilled hot dogs for the campers.

The top eight finishers in the final chariot race were:

1. Harley Russell
2. Henry Frederick
3. Elizabeth Hacker
4. Aubree Pizana
5. Chance Adkins
6. Michael Fox
7. Aiden Mahony
8. Nick Young
