Jill Hogle	Middle School Teacher	Ed Gilbert	Business/Industry Rep.
Abby Hacker	Middle School Teacher	Nick Whiteley	High School Asst. Principal
Eric Frederick	Elementary Asst. Principal	Harley Russell	Student

Madison School District has adopted a district strategic plan to guide the decision-making process regarding **student achievement, facilities/maintenance, educational opportunities, fiscal responsibility, community and stakeholder engagement, student leadership and involvement, and enrollment management.**

The strategic plan is discussed and developed at the annual School Board & Stakeholder Workshop. The Workshop provides an opportunity for stakeholders to discuss various aspects of the school's mission, vision, and strategic plan. The Madison Board of Education and administration utilize this opportunity to collaborate with parents, students, district school improvement team members, business/industry leaders, alumni, and staff. The strategic plan, mission, and vision is reviewed and revised annually to assure the purpose and direction of the district aligns with the strategic plan. Adoption of the strategic plan occurs following the Workshop and subsequent feedback. The final plan is the product of collaboration with stakeholders, meaningful dialogue, and research. The strategic plan represents the community's desire to provide a stable, yet progressive, learning opportunity for all faculty, staff, and students.

This year the School Board & Stakeholder Workshop focused on technology integration, specifically the process to develop Three-Year Technology Integration Plan. This summer faculty at Madison crafted the following narrative, "Dream Big" as we work to construct a vision and implementation plan for technology integration throughout campus.

Madison School District – Dream Big “Technology Empowered Learning in Action”

At Madison our dream is to meet the needs of each individual learner - both students and adults. We do not believe there is a one size fits all program, path, or initiative for everyone. We recognize this is a huge undertaking. In today's world, we need to engage each and every student in order to meet their needs. We believe that all students are inherently curious and want to learn. It is our job to facilitate and promote learning opportunities. In order to do so, we must customize the learning process for each student, teacher, mentor, and administrator. We recognize that there are many under-utilized minutes in our school day. Not only do we want to reclaim this time, but capitalize on and build upon it.

We want to build into the school day more time for exploration and reflection. By doing so our students will be more open-minded, develop a thirst for knowledge, and think critically and passionately about their vital role in society. To meet these lofty goals, we envision classrooms and labs where students possess not only a classroom view of the world, but a global view. Students will ask questions and share information with their school community as well as a global audience, carefully evaluating data and views of others. Students in class will Skype authors, experts, and learners around the world to collect information and become informed citizens. Students, upon mastery of a topic, will take on-line classes, create tutorials for struggling learners, design 3-D solutions to real problems, develop apps, conduct further research, and participate with learning experiences we as adults can't even imagine.

Through this Three-Year Technology Integration Plan the district will fulfill this dream. We recognize that all students need to be connected to a larger audience. We see a future where our students collaborate with peers on the other side of the world. We visualize students reading and producing blogs to work on their writing skills while at the same time they work on empathy skills. Students will learn firsthand from people to make a difference in this community and other communities around the world. We envision after school programming where students are exposed to a variety of career-ready skills such as robotics, coding, medical analysis, physical fitness, health monitoring via technology, and much more. We want students to feel comfortable bringing topics to the table for exploration, taking part in the research process to discern data and present findings.

We want to see our community and our school as a collaborative team determined to support our students. We recognize that we need to do a better job of making connections, building relationships with not only parents but businesses, and other resources. This will allow students to go straight to an expert for information as opposed to 'Googling' it. Employers can help us navigate skills necessary in today's market. By developing these relationships we are better able to find qualified instructors and guest speakers for presentations during school and after school programming, whether in person or on-line.

We want students to spend their thirteen (13) years with us at Madison exercising skills so they are prepared to make a difference in society as knowledgeable, able, and willing communicators in addition to being prepared to work and learn. Through this grant, students will graduate from Madison with a robust and well-rounded resume of skills and accomplishments eager to make a positive difference in this world.

Madison School District Three-Year Technology Integration Plan “Technology Empowered Learning in Action”

Madison School District has experienced tremendous growth throughout the past twenty five years. For more than two decades, beginning 1994, at least one project occurred to accommodate enrollment and to further educational opportunities for students attending Madison Schools. There has been substantial progress made to further academic achievement, promote the visual and performing arts, and to empower student leadership through academic and athletic opportunities. However, many areas related to technology throughout campus need to be advanced, updated, or reimaged.

The District is committed to enhancing the District's positive reputation and to continuing a standard of excellence the Madison family deserves. With this in mind a Three-Year Technology Integration Plan will be established through the vision, research, and effort of the Board of Education, students, faculty, administrators, business/industry leaders, parents, and alumni of Madison Schools.

Madison's Three Pillars - Scope

1. Reimage and repurpose up to seven (7) classrooms/labs through an “adaptive reuse” approach.

Learning: Learners will have engaging and empowering learning experiences in both formal and informal settings in order to learn the skills necessary to become global citizens successful in the workplace and society.

Leadership: Educational leaders will create transformational, equitable, technology-rich environments supporting a vision for personalized learning.

2. Develop a system by which educators have access to, and take advantage of, personalized professional learning.

Teaching: Educators will be supported in developing the skills necessary to guide students to become global citizens who are successful in the workplace and society and in using instructional technolog(ies) as an accelerator for student learning.

Assessment: Learners and educators will leverage technology to productively measure competency and provide meaningful and more immediate feedback to support the personalization of learning for all students.

3. Madison School District seeks resources to support a safe and progressive teaching and learning environment.

Infrastructure: Learners and educators will have access to a robust, secure, and comprehensive infrastructure to support everywhere, all-the-time learning.

PATT 5k and Fun Run

The Madison Elementary PATT will be hosting its first ever PATT 5k and Fun Run on Sunday, October 27.

8:00 a.m. - packet pick-up opens

9:00 a.m. - Trojan Kids (grade 5 and under) 1 mile fun run

9:30 a.m. - 5k start time

Awards ceremony following 5k

\$25 Registration fee (includes t-shirt)

\$10 Registration fee for 1 mile fun run (does not include a t-shirt)

Awards will be presented to the top 3 males and top 3 females in each age group, and participation awards will be presented to all participants of the fun run! Awards will be presented for Best Dressed groups and individuals

Note: this is a walk/run, not a race alone. Participants of all types are encouraged to be a part of the Madison Trojan 5K! Event will be held on and around Madison schools, starting at the Madison high school football field!

This event is open to the public! Parents, grandparents, aunts, uncles, cousins, friends and neighbors are all invited to participate in supporting Madison Elementary by raising funds for our PATT to help fulfill needs within our school community.

REGISTRATION FOR THIS EVENT IS ON MYSCHOOLBUCKS.COM

“Trunk or Treat” Presented by Madison Gleaner Arbor

Madison Arbor is hosting “Trunk or Treat” on Sunday, October 28 from 3-5 p.m. in the elementary parking lot.

If you would like to participate, please fill out a vehicle registration form that can be found at this link:

<http://www.madisonk12.us/event/madison-arbor-trunk-or-treat/>

Or the flyer and registration form can be found at the back of this newsletter on pages 25-26.

Quartermania to Benefit Girls Golf Program

On Saturday, November 3, the Madison Girls Golf program will be hosting a Quartermania in the Middle School Gym. Cash and carry starts at noon, bidding will run from 1:00 - 4:00 p.m.

There will also be a taco lunch beginning at 12:30 p.m. The cost for the lunch will be \$5 and \$1 for drinks.

Red Cross Blood Drive - Help Save a Life

Help Madison earn scholarship money for our seniors, and better yet, help save a life. The American Red Cross will be in the Madison Performing Arts Center on Thursday, November 29th from 8:15 a.m. – 2:00 p.m. Please help us reach our goal of 55 units to qualify for scholarship earnings. If possible, we ask that you call to schedule an appointment in advance – please contact Lora Stricklen at lora.stricklen@madisonk12.us or call 263-0741 (x-210).

October BSY Academic Enrichment Opportunity

When: October 22, 2018 – October 26, 2018.

Cost: \$120.00 per student, \$50.00 for additional student

Monday, October 22, 2018: Creature Conservancy;
Students will see and learn about 25 different species of animals!

Tuesday, October 23, 2018: Painting and Movies;
Students will paint pumpkins and watch movies in the PAC.

Wednesday, October 24, 2018: Detroit Zoo
Lions, Tigers and Polar Bears OH MY!!!

Thursday, October 25, 2018: Centre
Students will swim, play indoors and take a yoga class

Friday, October 26, 2018; Wiards

Agri-entertainment park is fun for all: orchards, cider mill, u-pick apples, corn maze, u-pick pumpkin patch, apple cannon, giant inflatables, pony rides, Old West hayrides, petting farm, miniature golf, Straw Mountain, Haunted Barn, multiple children's play areas, hot food and much more.

Please go to myschoolbucks.com by October 14, 2018 to sign your student up for this Academic Enrichment Opportunity. Lunch is provided for the week.

September BSY AEO Recap

The students enjoyed trips to the University of Michigan athletic facilities, Sauder Village, the Jiffy factory, Chelsea Tree House, and the Ann Arbor Hands On Museum.

Madison Playgroup Information

The Lenawee's Child Playgroup at Madison has now started with the beginning of the school year!

The playgroup is open to children ages 5 and under Monday-Thursday from 8:45 - 10:30 a.m. Kindergarten Readiness (ages 4-5) is held on Fridays from 9:00 - 10:30 a.m.

Play groups offer a variety of learning and social experiences for children and their parents. Math and language activities, art, dramatic play, manipulatives, everyday living activities, and circle time are offered.

If you are interested in getting your child involved, please contact Daphney Hubbard, Parent Educator for the Madison Playgroup at daphney.hubbard@madisonk12.us or 517-263-0744 x560.

A Message to Latch-Key Parents

Please keep emergency information up to date with Latch-Key. The information on the Latch-Key application intake is different from the school form. If you need to add a person to the emergency list, please notify Latch-Key.

If a person comes in to pick up your child, we will ask and check their identification and the information on file with Latch-Key. If that person is not listed on the emergency list, your child will not be released from our care. This is for the protection and safety of your child.

Thank you for your trust in us. We enjoy providing quality before and after school care for the students of Madison Elementary.

From all of us at Latch-Key,

Raquel Ybarra, Latch-Key Director
Megan Ybarra, Latch-Key Assistant
Shelby Hunt, Latch-Key Assistant
Christine Cox, Latch-Key Assistant

From the Elementary Art Room

Our budding artists have been busy. Many of our art projects are connected to what students are learning in the classroom. When viewing your child's art remember to encourage him/her to talk about it, this will help reinforce what they have learned.

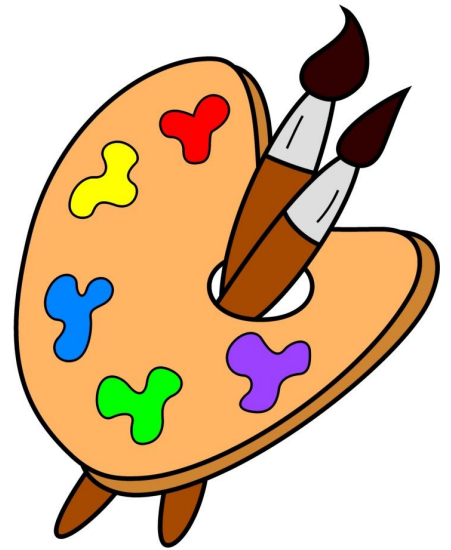

Good job to Mrs. Hardway and Mrs. Sanderson's 4th grade classes who had their Art on display at "Art-alicious" in downtown Adrian.

In the art room we often use recycled items and use all types of donated materials by parents. This year we can use more egg cartons, paper towel rolls, toilet paper tubes, yarn and old Christmas cards.

Our big event is the Recycled Fashion Show. Students create or invent something from recycled materials. This is a great opportunity for students to celebrate and make connections to the importance of recycling and Earth Day.

Permission slips and more details are in the art room for those students who are interested in participating. If there is enough interest the show will take place on Thursday, April 18th, 2019.

If you have any questions at all don't hesitate to contact me afterschool or e-mail. Richard.SanMiguel@madisonk12.us.

Middle School Yearbook Requesting Photos

The Middle School Yearbook needs your help! If you are attending a Middle School event and take pictures, please send copies to Jodi.Swinehart@madisonk12.us to be published in the 2018-19 Yearbook!

Thank you for your support!

Yearbook

Middle School Students Following “The Madison Way”

Attached is a picture of some students who were recognized for practicing the “Madison Way” of doing things. These students were caught being respectful, responsible, ready, or safe in one way or another so far this school year which earned them a Mad Money ticket. Their ticket was drawn in one of our random drawings winning them a prize of either a free Domino’s large one-topping pizza or a free kid’s pizza from Aubree’s. (Prizes were generously donated from these businesses).

The students names, from left to right, are:

Back row: Jenna Smith, Jamari Davis, Bronson Scott, Kelsey McCarty, Thomas Proffitt,
Amyah Thompson, Quin Heikkinen

Front row: Keegan Edmonson and Damien Stoddard

Madison Middle School is looking for student leaders!

Currently, we have two opportunities.

The Box Top Team meets a couple of times a week to promote, collect, and count Box Tops. This year we have a goal of \$1000.

Qualified students are:

- able to speak in front of a group,
- problem solvers
- self-directed
- Team players
- able to stay focused
- creative

The Recycling Team has 4 opening. Students meet once a week after school to collect and dispose of recycling.

Qualified students are:

- Able to stay after school at least 2 times a month on recycle days (day of the week will be determined by member schedules)
- Problem solvers
- Team players
- Able to work with horseplay

Students interested in either team should write a paragraph to Mrs. Brandeberry by Monday, October 8th including:

1. Which team they are interested
2. Grade Level
3. Why they are interested
4. At least one idea they have for improving either recycling or Box Top collection at Madison Middle School
5. What day or days of the week they are able to stay after school

8th Grade Northern Michigan Trip - Fall 2018

The 8th Grade Trip to Northern Michigan will take place from October 4-6. A final itinerary can be viewed at the district website at the link below:

<http://www.madisonk12.us/8th-grade-trip/>

Middle School Fall Frenzy Permission Slips DUE ASAP!

Madison Middle School is building upon twelve years of tradition when it hosts this year's grade level team-building day during the period of October 2nd through October 4th. From 2006 through 2015, this exciting day was known as May Madness or June Jubilee depending on the month it was held. However, with state testing it became difficult to accommodate this event during the spring. In the fall of 2016 and 2017, Madison Middle School scheduled a "Fall Frenzy" team-building day during the month of October. This is a really special event for Madison Middle School, usually resulting in new friendships and long-lasting memories for students and teachers alike.

Many of our teacher-leaders in the middle school advocated for a change in the Fall Frenzy platform. Specifically, alternating the year that we host a traditional Fall Frenzy at Madison and replace the other year with something fresh, new, and exciting. Faculty recommended the "something new" to be the Tree Runners West Bloomfield Adventure Park with tree running and zip lining. The outing provides opportunities for collaboration, trust building, support for one another, and the development of positive communication skills – which is the original vision for May Madness (now Fall Frenzy).

Between donations from Madison Middle School Student Council and the Madison School District community, the price per student to attend the field trip to Tree Runners West Bloomfield Adventure Park is down to \$10. A regular ticket to Tree Runner West Bloomfield Adventure Park is \$48. Promotional tickets for schools are usually \$26.

Each ticket provides a 3-hour climb, plus a 30-minute harnessing session. School groups are usually limited to a 2 - 2 1/2 hour climb due to transportation schedules. This is still plenty of time to enjoy the treetops. Adventure Park offers 10 courses, 5 difficulty levels, 22 zip lines and over 160 obstacles - in the treetops. The park is built for self-discovery. Every guest climbs at his or her own pace while taking risks and thinking outside the box. The park encourages group cohesion, camaraderie, teamwork and leadership skills.

We will be leaving school at 8:00 a.m. and returning around 2:30 p.m. Students should pack their own lunch for the day or order a sack lunch from the cafeteria. The \$10 cost per student may be paid on-line at myschoolbucks.com.

Parent Permission Slips and Waiver Forms. Make sure you select the correct grade of you child!

Permission slips: <http://www.madisonk12.us/news/fall-frenzy-adventure-park-trip-information-and-parent-waiver-forms/>

College & Tech Night

Siena Heights will host this year's College Night on Thursday, October 25 from 6:30-8:00 p.m. This is a great opportunity to talk with college, trade school, or military representatives and begin thinking about your future after high school.

MS/HS Parent Teacher Conferences

Thursday, October 18

Early Student Dismissal at 11:00 a.m. for MS/HS students

FAFSA Workshop During Conferences

During HS conferences, October 18th from 2-6 pm in Mrs. Ford's room 113 come and get your FAFSA filed. There will be financial aid officers from the local colleges available to assist. In order to complete the FAFSA bring with you:

1. SSN for Parent(s) and Student
2. Email address
3. 2017 tax return for student (if they filed) and parent (if they filed)
4. Driver's license
5. FSA ID for student and parent – can get ahead of time and serves as signature

Madison HOSA “Future Health Professionals”

The student-led club, HOSA-“Future Health Professionals” is making a powerful impact this year! 40+ students have registered to become active members. This State and National organization will prepare the Madison chapter for future health careers and service to others.

Advisor and CTE Biomedical Sciences Instructor, Katie McGormley held an installation ceremony, September 26, 2018 during lunch. Officers were installed with a “colorful” theme this year. Each officer received a specific candle color that represents their duties and role in HOSA. The group celebrated with desserts after.

2018-2019 Officers pictured:

President, Kaiya Wall

Vice Presidents, Kaitlin Svoboda, Teddy Baker-Wallerstein

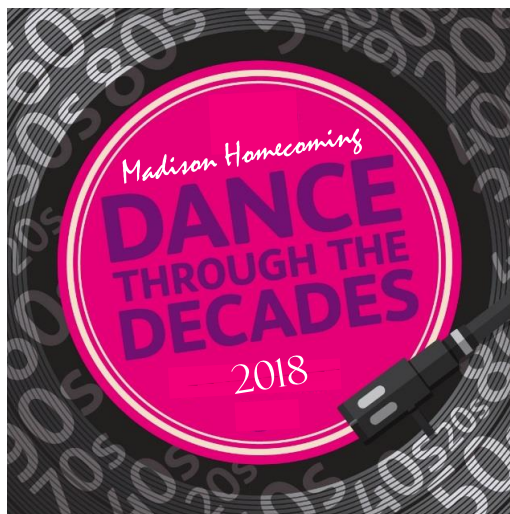

Secretary, Priscilla Pharion

Historian, MyKenzie Loudon

Treasurer, Alex Lerma

MADISON ARBOR PRESENTS.....

TRUNK OR TREAT

DRESS UP IN YOUR FAVORITE HALLOWEEN COSTUME AND
PARTICIPATE IN THIS COMMUNITY WIDE EVENT!

SUNDAY, OCTOBER
28TH
3-5 PM

TRUNK
REGISTRATION DEADLINE:
OCT 22ND

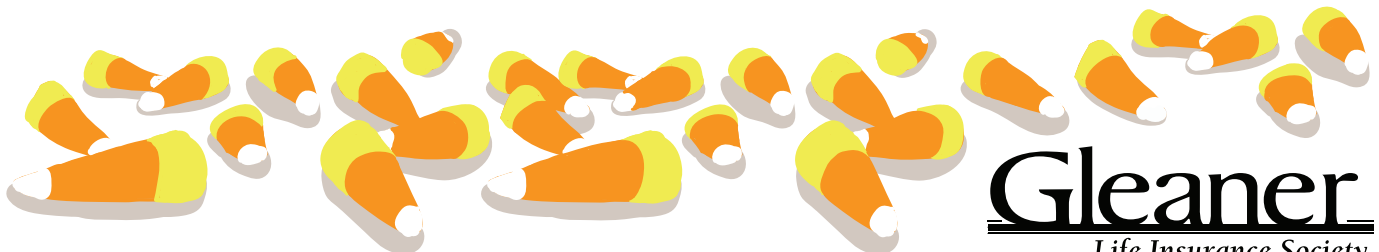

MADISON SCHOOL

WHAT IS TRUNK OR TREAT?

ADULTS DECORATE CARS AND HAND OUT TREATS FROM THEIR TRUNKS OR THE BACK OF THEIR VEHICLES. CHILDREN DRESS IN THEIR HALLOWEEN COSTUME AND GO FROM CAR TO CAR COLLECTING CANDY WHILE ENJOYING YOUR CREATIVITY.
(PREREGISTERED VEHICLES ONLY WILL HAND OUT CANDY)

TRUNKS NEEDED

DECORATE YOUR TRUNK AND YOU COULD WIN A PRIZE. CONTACT THE MADISON ARBOR AT DAWN.OPSAI@MADISONK12.US OR 517-265-1847, TO RESERVE YOUR PARKING SPACE TODAY.
DEADLINE FOR ENTRIES, OCTOBER 22ND.

Gleaner
Life Insurance Society

Madison Arbor #741 of Gleaner Life Insurance Society

Trunk or Treat

Event Date: Sunday, October 28th

Vehicle Registration Form Due Date: Monday, October 22nd

Thank you for participating in this event. This is an opportunity for families attending the event, to safely trick or treat out of the decorated trunks of parked cars. Trick or treating will take place from 3pm-5pm, so please arrive with your "decked out trunk" no later than 2:30pm (you may come as early as 1pm) in order to find your assigned parking space and prepare for the arrival of Trick or Treaters.

****PRIZE FOR BEST DECORATED TRUNK****

Guidelines:

Your "trunk" can be simple or elaborate, it is up to you. As you are dreaming up ideas, consider your trunk as the stage on which you will perform in your coordinating costume with fun scene settings and props. Electricity will not be available on site. Please keep in mind the young children, so nothing too scary.

When selecting treats for "Trick or Treaters", candy (pre-wrapped & sealed) is certainly an obvious choice but other favorite treats include pencils, pens, erasers, glow sticks, bracelets, bookmarks, stickers, notepads, bouncy balls, and fake tattoos.

Directions:

Please complete the registration form below and return to: Dawn Opsal, Madison School District, Central Office, 3498 Treat Hwy., Adrian, MI 49221, Fax #: 265-5635, Email: dawn.opsal@madisonk12.us. Questions call 265-1847.

Madison Arbor "Trunk or Treat" Vehicle Registration Form

NAME: _____

MAILING ADDRESS: _____

CONTACT NUMBER: _____ EMAIL: _____

VEHICLE MAKE/MODEL: _____ LICENSE PLATE #: _____

Your vehicle information will be used to make sure we allow enough room for your vehicle and will also serve in identifying your parking space on October 28th.

THIS FORM MUST BE TURNED IN NO LATER THAN MONDAY, OCTOBER 22, 2018.

MADISON SCHOOL DISTRICT PARADE PARTICIPATION AGREEMENT

The Madison Board of Education authorizes the transportation of students by private vehicle in District sponsored parades and celebrations under the conditions listed below. Please initial each statement below and sign the bottom of the form indicating your understanding of the Board policy.

INITIAL	
	Any such transportation must be approved in advance and in writing by the principal in accordance with the Superintendent's administrative guidelines.
	The parent of the participating student will be given, on request, the name of the driver and the description of the vehicle.
	No person shall be approved for the transportation of students in a private vehicle who is not an employee of this Board; an approved volunteer; or the parent of a student enrolled in this District and the owner of a currently-valid license to operate a motor vehicle in the State of Michigan.
	A person transporting students shall be the holder of automobile liability and personal injury insurance in the amount required by District administrative guidelines. The Superintendent may withdraw the authorization of any private vehicle driver whose insurance is not adequate.
	Any private vehicle used for the transportation of students must conform to the registration requirements of the State and must be in safe operable condition.
	In addition to the driver, an adult shall ride on each vehicle throughout the parade and shall supervise students riding on the vehicle. School behavior and discipline guidelines shall be in effect for all students participating in a District parade or celebration.
	Drivers and supervisors who are not professional staff members are requested to report student misconduct to the principal.
	Students riding on a float or parade vehicle are to remain seated with their legs completely inside the vehicle unless the vehicle has side railings that extend to at least the height of the student's chest. The railings must be secure and spaced close enough together to prevent a student from falling off the vehicle.
	Students shall not be allowed to enter or exit a parade vehicle unless the vehicle is completely stopped and the student has received permission from the adult supervisor to do so.
	Expenses incurred by drivers of private vehicles in the course of transporting students in a parade or other District celebration will not be reimbursed by the District.

I understand agree to adhere to the Madison Board of Education policies regarding the Transportation of Students in Parades.
