From the Superintendent's Desk:

2018 Year in Review

Madison School District has a lot to be thankful for as we look back at numerous accomplishments achieved throughout the 2018 calendar year. A few highlights include:

- Work outlined within the Strategic Five-Year Facility Maintenance Plan continues to promote a progressive, yet cost-effective teaching and learning environment. In the fall, board members, faculty, administration, parents, students, alumni, and business leaders met for the district's annual School Board & Stakeholder Workshop. Throughout the past three years efforts outlined within the Plan, referred to as Madison's "2020 Vision", have resulted in an enhanced teaching and learning environment and, at the same time, has reduced overall energy consumption and operating costs throughout campus. As part of the guaranteed energy savings project, focus has been on energy efficiency, sustainability, and facility improvements. LED lighting has replaced inefficient bulbs and units inside and outside of the building, weatherization and improvements to the building envelop occurred, and repairs to heating units in the middle school gym took place prior to winter break. In addition, updates to the bathrooms within the middle school will occur over the next few weeks. Finally, engineering occurred to ensure a seamless transition to install air conditioning throughout Madison Middle School this summer, prior to next school year, and a solar array will be installed to help offset the cost of energy consumption.
- A master plan for the football field and track was completed. A request for bid for new ADA compliant bleachers, a new press box, and a team room was approved by the board. Included in the project is updated electrical service, connection to township water for concessions and bathrooms, and replacement of a well for irrigation. If all goes well, work will begin following the last home track meet this spring and the project will be completed prior to the first home football game.
- Innovative Project Lead the Way (PLTW) programming in Computer Science and Biomedical Technology courses continue to be offered to students in an effort to have students explore career pathways and, at the same time, further prepare students for a post-secondary plan leading to a high skill, high wage, and high demand occupation.
- Finally, the Madison Youth Athletic Council (MYAC) offered athletic opportunities to Madison students Young 5s through 6th grade. Last year, over 300 students in participated in at least one sport. Volunteers offered youth football, cheerleading, volleyball, basketball, wrestling, baseball, and softball to students enrolled at Madison.

As 2018 draws to a close, Madison School District would like to again thank the students, staff, parents, and community for a year of success as it sets its sights on new expectations and goals for 2019.

Latch-Key Delays and closings:

When school needs to be closed or shortened because of inclement weather, the Latch-Key program will also be cancelled for the day. In the event of a delay, the morning session will still operate on normal hours. If Latch-Key closes after a delay, parents or a person on the emergency list will be contacted to pick up the child. It is important that parents make arrangements for children in the event of an unexpected school closing. Cancellations will be broadcasted on WLEN FM103.9 or WABJ AM1490. Madison School District uses the BLACKBOARD Connect system to notify you, by phone, of school closings and other events. Your home/cell number will be added to the BLACKBOARD Connect system automatically. It is important to maintain an updated phone number on record with the school.

The TSY and BSY calendars and other important Latch-Key information can be located on the schools website.
