From the Superintendent's Desk:

Madison School District Modification to End of 2018-19 School Year

The Madison School District has endured a unique and challenging winter season, one that continues to deliver cold temperatures and additional precipitation. Throughout the past two months the district has prioritized the safety of students, faculty, and staff through 7 school day cancellations and 1 school delay.

The district has determined, considering the substantial loss of instructional time, that the 2018-19 school year will end Friday, June 14th rather than Wednesday, June 12th.

Please review the modifications to the end of the school year below:

Mon, Tues & Wed	June 10, 11 & 12	HS/MS Exams— Dismissal HS (11:00), MS (11:05)
Tuesday & Wednesday	June 11 & 12	EL Records— Student Dismissal 12:00
Wednesday	June 12	Last Day of School for Students and Staff

Revised schedule 2018 - 2019 school year

Wed, Thur & Fri	June 12, 13 & 14	HS/MS Exams— Dismissal HS (11:00), MS (11:05)
Thursday & Friday	June 13 & 14	EL Records— Student Dismissal 12:00
Friday	June 14, 2019	Last Day of School for Students and Staff

Madison Elementary Class Placement Procedures

Balanced classrooms, meeting ALL students' needs

Our philosophy...

All parents desire their children to be placed with a caring and competent teacher. We share that desire. There are many things that need to be considered in order to create successful classrooms. We would like to share the process with you, as we ask all our teachers to participate in creating balanced classrooms for the upcoming school year. Hopefully, this will provide you with a better understanding of how complex a balancing act this can be.

Parent input is one of the most important components used to make informed decisions regarding class placement. Please trust the Madison team's interest in your children and our knowledge of each other. Madison Elementary School strives to create vibrant, excellent classrooms that serve the needs of all children.

Parent Input

Each year parents are invited to share valuable information about their children's learning styles, strengths, challenges, and needs. We consider all this information valuable. Please click the link below to complete the: 2019-20 Student Placement Parent Input Form no later than March 22, so we may have time to use the information in our process. We ask that you please do not request a specific teacher on this form. Thank you!!!

[2019-20 Student Placement Parent Input Form](#)

Teacher Input

All classroom teachers, specials teachers, and special education teachers provide input on all of their students' strengths, challenges, and unique learning characteristics. This includes academic ability and performance, behavior, social-emotional skills, likes/dislikes and interests, as well as relationships with other students. Teachers complete forms similar to you. Their form includes specific academic data, as well as things that seem to work for your child.

Teamwork Makes the Dream Work!

After parents and teachers have provided input, your child's current grade level team of teachers, special education teachers, specials teachers, literacy coach and counselor meet with the principals to draft the upcoming year's class lists. The objective is to match student learning styles to teacher strengths and areas of talent, while creating classrooms that have a balanced number of students who are strong, self-directed learners, with those who need some support. It is important that students learn to work and socialize in environments of diversity. This not only prepares them for "the real world" but also allows individual talents to shine. As staff works together in developing balanced classrooms, they factor in all student information gathered from the variety of sources.

Thank you for taking the time to provide us with valuable information. We appreciate your input!

Did you know?

Did you know that Family Medical Center of Michigan, Inc. (FMC), has a location in Madison Schools? FMC is a non-profit organization that has been providing medical, dental and behavioral health services to members of our community for over 35 years. FMC has partnered with schools in the area for over 2 years. Currently at Madison Schools, FMC sees students from the Elementary, Middle, and High School. Services that are offered through the school include counseling services for behavioral health as well as access to a psychiatrist if needed. These services allow children to remain in school for counseling services. Sometimes children struggle with issues such as focus, depression, anxiety, grief, trauma and stressors in the school environment. These can be addressed with counseling services for your children. Nakeyia Meyers, a Licensed Master Level Social Worker, is currently providing these services for FMC in select schools throughout Lenawee County.

It can be difficult at times to identify what is “normal” behavior for a child’s age and what may be a more severe issue. Here are a few, not all, symptoms to consider:

- Decrease in enjoyment and time spent with friends and family (isolation)
- Significant decrease in school performance
- Loss of interest in sports or activities they used to enjoy
- A change in sleep habits/rituals
- Strong resistance to attending school or absenteeism
- Problems with memory, attention or concentration
- Significant changes in energy levels or eating (weight gain or weight loss)
- Physical symptoms (stomachaches, headaches, backaches, etc) and/or frequent visits to the school nurse
- Feelings of hopelessness
- Sadness
- Anxiety
- Crying often
- Frequent aggression
- Disobedience or lashing out verbally
- Excessive neglect of personal appearance or hygiene
- Substance abuse
- Dangerous, illegal, or thrill-seeking behavior
- Making critical comments about themselves
- Behavior problems at school or at home
- Signs of cutting, burning or other forms of self-harm
- Preoccupation with death

While these can be normal adjustments to situations and events happening in a child’s life, it is important to seek help when you are concerned. If you are interested in learning more about FMC’s services, please feel free to contact us at (517) 438-0065.

Book Fair Coming to the District Library This Month

There will be a Scholastic Book Fair the week of March 11th to March 15th. We will be open in the District Library during school hours and in the Commons during Elementary Conferences on the 14th. The Book Fair will end at noon on Friday. Please help encourage students to read by bringing them to the Book Fair! If you are interested in volunteering, please contact Janet Graham at 517-263-0741 x150.

SEE YOU AT THE BOOK FAIR!

March is Reading Month in the District Library! This year's theme is: Enchanted Forest

Please encourage your Elementary student to complete their reading log for fun prizes in the library – including 2 bikes donated by the Kiwanis! There is a calendar on the back of the parent letter sent home to Elementary Students with daily reading activities to help encourage reading.

Our Scholastic Book Fair will take place March 11th through the 15th in the District Library during school hours and we will be open during conferences in the Commons.

Please join us for our Elementary Family Literacy Night on March 21st. More details to come. Hope to see you soon and happy reading!

4th Grade Program: March 11

On Monday, March 11th, the fourth graders will be performing “A Kid’s Life.” This program will be in the Performing Arts Center, located in the high school. The students of Mrs. Bryant, Ms. Sanderson and Mrs. Hardway will be performing at 6:00. The students of Mrs. Stewart, Mrs. Teague and Mrs. Lutton will be performing at 7:00.

Students are asked to arrive fifteen minutes early. Doors will open 30 minutes prior to the show. Since this is a show about kids, students can dress like it’s a regular school day. If you are able, please send in a flashlight labeled with your student’s name. We will be using them for one song.

Second Grade Program: March 12

On Tuesday, March 12th, the second graders will be performing “Nuts!” This program will be in the Performing Arts Center, located in the high school. The students of Ms. Witt, Mrs. McNeil and Mrs. Dudas will be performing at 6:00. The students of Mrs. Hall, Mrs. Zaszczurynski and Mr. Koebbe will be performing at 7:00.

Students are asked to arrive fifteen minutes early. Doors will open 30 minutes prior to the show. Students do not have to wear anything special for this show.

If you have any questions, please contact Mrs. Madziar or Mrs. Morris. We are looking forward to a great show!

Elementary Student Council Involvement With Community

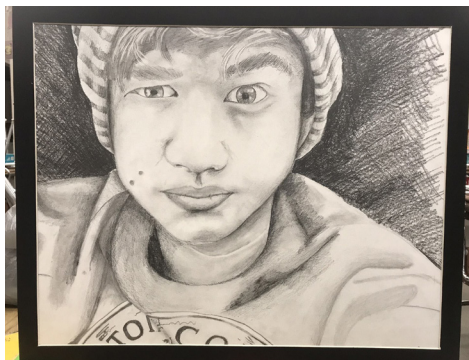

Our elementary student council members were invited to take a tour of the new Share the Warmth facility on February 8. They also presented the director of Share the Warmth with gloves and gift cards they had collected throughout December and January.

Middle School Art Students Receive State Recognition

All 5 middle school students who entered into the region 3 art show won and will be moving on to state competition!

If you see Annie McDade (pencil drawing), Teagan Sullivan (multimedia cat piece), Michael Fox (pencil & paint outer space piece), Rowen Yeager (Surrealist lightbulb painting), and Justin Fox (melting skull painting) be sure to congratulate them!

Family Read Alouds & Activities

Join us as we celebrate READING! We are welcoming families with Y5 - 3rd grade learners and younger siblings to join us in the CEMaT library, located in the Porter Center. Come enjoy read alouds, book talks, and fun activities. Leave with a book from our “Free Little Book Fair” and tips you can use at home with your child to encourage life-long reading.

Madison Science Olympiad Team Competes at Hillsdale College

The high school Science Olympiad team competed at the Region 9 Tournament on Saturday, February 23, 2019, at Hillsdale College. As a first-year team, we are extremely proud to bring several awards home to Madison.

- The Designer Genes team of Matson Garza and Paulina Graham won 3rd place.
- The Forensics team of Alayna Wagner and Brayr Borton won 4th place.
- Three teams won 5th place: Mousetrap Vehicle team of Harley Russell and Noelle Paulette; Wright Stuff team of Evan Cole and Walker Claiborne; and Astronomy team of Matson Garza.

Congratulations to the whole team on their hard work and accomplishments; you represented Madison well!

Any student interested in joining the Science Olympiad team for next year should talk to any current team member or Dr. Cichy.

Just Another High School Play Coming Your Way!

This crazy comedy by Bryan Starchman tells the story of a highly dysfunctional, definitely disorganized group of actors who have been abandoned by their director. Imagine that! Can the kids pull this off on their own? Come and see!

Evening Performance is Friday, March 22nd @ 7 p.m. Donations gratefully accepted.
