January 2021 Newsletter

Developing individual excellence through rigor, innovation and personal attention

From the Superintendent's Desk

January 3, 2021

Good Afternoon, Madison Families!

I hope that everyone has had a restful holiday break! Today (Monday, January 4, 2021), we are excited to be able return to Face-to-Face instruction for PK-12th grade students. Due to executive orders from the Michigan Department of Health and Human Services, our high school hallways have been quiet for quite some time. Today that all changes and our high school students are able to return! While we are looking forward to having students back in the building, we know that we all need to remain vigilant in an effort to minimize the spread of COVID-19 as much as possible. As a district, we will continue to implement numerous safety measures. These safety measures have allowed us to contain positive cases to smaller groups of individuals being identified as close contacts. Some of these measures include:

- Cohorting groups of students
- Masks worn by ALL PK-12 students and staff in the building
- Hand washing and use of hand sanitizer
- Temperature checks of all PK-12 students and staff
- Continual disinfecting of all hard surfaces and frequently touched areas.

As a district, we are committed to these measures, and all other safety measures outlined in our Extended COVID-19 Preparedness Response Plan. We want to keep the doors of the Madison School District for face-to-face instruction as long as possible while maintaining a safe environment. I urge you to err on the side of caution and keep your student home if they are not feeling well and continue to monitor for common COVID-19 symptoms! As a community, let's do everything in our power to minimize the impact of COVID-19 at Madison.

We look forward to seeing our students!

Madison Debate Team Ends the Season on a Winning Note

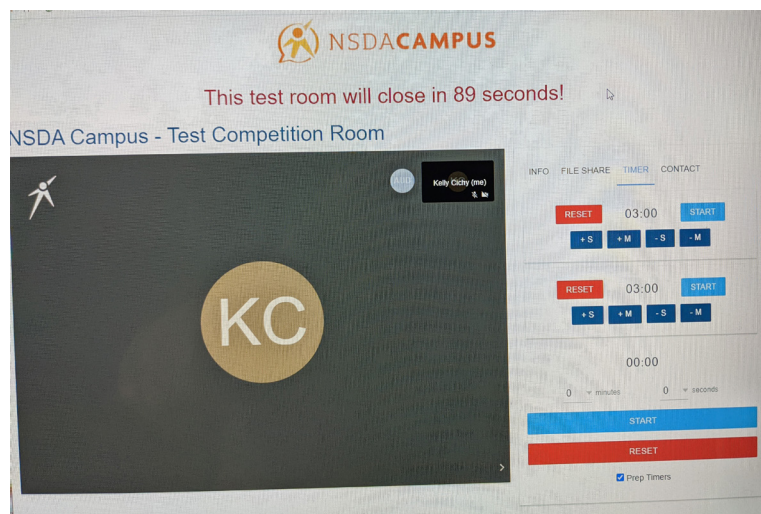

This year's Lenawee County debate competitions moved to a virtual platform hosted by the National Debate Coaches Association (NDCA). Four high schools competed this year: Blissfield, Hudson, Lenawee Christian, and Madison. A special thank you is given to the LCS coach who took the lead in coordinating the competitions through her membership in the NDCA. Students and judges logged into their match "room" for each debate (see the screenshot picture of a sample "room"). Despite audio, video, and fire-wall challenges, the season was quite a success. Students advanced their debating skills and some of the best matches ever occurred. No trophies were awarded this year. Nonetheless, Madison debaters excelled in their competitions and ended the season on a winning note in the novice and varsity rounds.

Novice debaters were Paulina Graham and Nolan Matthews who competed twice; Tavia Kingsley competed once solo as Nevaeh Gates had firewall issues and was unable to join their match. Varsity debaters who competed in all three competitions were Alayna Wagner and Matson Garza.

Some comments from the judges' ballots:

- "...impressed with both teams' organization, professionalism, and speaking abilities. Your ability to link arguments and reason through evidence was outstanding." (Garza and Wagner)
- "Both speakers were outstanding. Knowledgeable and eloquent. You both worked well together to refute all of the negative claims, and included in your speeches an appeal to emotion (pathos) that helped increase persuasion. Impressive. Keep up the good work." (Garza and Wagner)
- "Best debate I've heard all year. Logic, reasoning, organization professionalism, etc., was wonderful. You should be proud of your performances." (Garza and Wagner)
- "...bravely argued her first-ever debate alone....Both teams behaved professionally and are well on their way to well-developed communication skills." (Kingsley)
- "Excellent work on this debate!" (Graham and Matthews)
- "Logical and full of reasoning." (Graham and Matthews)

CONGRATULATIONS to the Madison High School debate team!

Madison HOSA Chapter Earns Medals at Recent Competition

Madison's HOSA club competed virtually on December 19, 2020. Each member had to study for, prepare, and take a cumulative exam or upload a video with materials covering their chosen health science event. Madison's chapter dominated the region 17 leadership competition resulting in 20 members achieving high scores. These members have earned a well-deserved congratulations especially since balancing all the additional demands of going remote with their regular course load.

The 2021 Michigan HOSA State Leadership Competition is currently scheduled to be held virtually or if applicable, on April 22-23, 2021 at the Grand Traverse Resort. This conference gathers over 3,300 HOSA members from across the state.

Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
