Subscribe to HAC Alerts

Use the My Alerts option to access and change settings for the types of email alerts you would like to receive for your student. To display this page, move your pointer over your user name in the Home Access Center banner at the top right, then select My Alerts.

The My Alerts page includes checkboxes for the following types of alerts. If you are a guardian who can access multiple students in HAC, a separate set of boxes displays for each student. Checking a box enables the type of alert indicated.

Options:

Attendance - Allows email alerts to be sent when absence, tardy, and attendance codes are entered for your student. You can limit the alerts to certain codes. When the Attendance box is checked, its description becomes a link. Click the link to display a window listing the available codes. To receive all alerts, leave the any box checked. To select individual codes, uncheck the any box, check the boxes for the codes you want, then click Save.

Discipline - Allows email alerts to be sent when your student is involved in a discipline incident. You can limit the alerts to certain types of incidents. When the box is checked, its description becomes a link. Click the link to display a window listing the available discipline codes. To receive all alerts, leave the any box checked. To select specific codes, uncheck the any box, check the boxes for the codes you want, then click Save.

New Option

Classwork - Allows email alerts to be sent on averages for class assignments. To limit the alerts to averages outside a range, enter the bottom of the range in the *below* field - for example, 75 for averages less than 75 - and the top of the range in the *above* field - for example, 89 for averages of 90 or greater. Enter whole numbers; decimals are not allowed. To display averages for all assignments regardless of their level, leave the two fields blank.

Alert Type	Receive Alert	Alert Details
Attendance	<input checked="" type="checkbox"/>	Alerts are limited. Click to view list of selected choices.
Discipline	<input checked="" type="checkbox"/>	Limit alerts to specific types of discipline.
Classwork	<input checked="" type="checkbox"/>	If my student receives an assignment average below <input type="text" value="75"/> % or above <input type="text" value="89"/> %.

MADISON MIDDLE SCHOOL - Culture of Achievement Program

Culture of Achievement Program (CAP) is an intervention to develop successful work habits and provide additional support for increased learning in academics.

At Madison Middle School, we believe that students who come to class prepared and complete assigned work obtain a better chance of reaching their potential than those who do not. The CAP program provides support for students as they transition into taking responsibility for their own learning in the middle school.

Students who may benefit from the CAP program are those who need help with the following:

- missing several assignments
- needing organizational assistance
- needing more time to master complex concepts being taught

The program is offered from 2:45 p.m. - 4:20 p.m. on Monday and Thursday. Students will receive assistance, from a staff member and high school tutors, with completing assignments. Bus transportation is available for those who need it.
