## Safe Routes to School Poster Contest

This spring, Madison Elementary School is coordinating an incentive program to encourage students to stay healthy and active by using the sidewalks to get to school. Mrs. McNeil, our world renowned art teacher, kicked off our Safe Routes to School Club by teaching a traffic safety unit and hosting a poster making contest for grades 1-5. Safety tips were incorporated into the artwork. The top five posters from each grade level were posted in the hallway. The winning artists received a small prize were recognized on the morning announcements.

See the winning posters here: <http://www.madisonk12.us/safe-routes-to-school-poster-contest-winners/>

The rules for the incentive program are as follows:

1. Students interested in the Safe Routes to School Club can get a punch card from their teacher.
2. Each time a student walks, runs or bikes to or from school, they will pass a crossing guard, who will punch a hole in the student's card. Students can get a maximum of 2 punches per day.
3. After a child receives 10 punches, they will visit Mrs. Graham or Ms. Sevilla in the Media center to receive a small prize. Students will get a new punch card at this time.
4. Their card will be collected and entered in the grand prize drawing at the end of the year. There is no limit to the number of cards a child can enter into the grand prize drawing.

Christopher Warwick  
Vincent Williams  
Anna Winkelman

## Mrs. Riggs Receives Grant from Midwest Energy to Purchase Laptops

Stacy Riggs was awarded a grant from MIDWEST ENERGY & COMMUNICATIONS to purchase laptop cases and headphones for all the students in her class. This is part of their Strengthening Schools Grants campaign. More information can be found at the following website: <https://www.teammidwest.com/about-us/community/strengthening-schools-grants/>

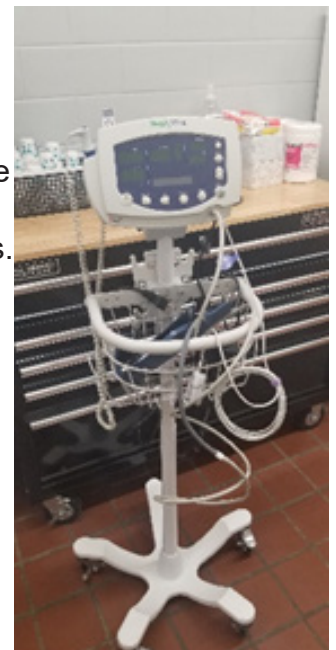

Applications are currently being accepted again for the spring grant cycle. Educators may apply for grants of up to \$2500. Midwest Energy & Communications has been an excellent partner to our elementary school. We appreciate their support.

## Nurse Erin Lapinske Receives Grant from MEC for School Health Clinic

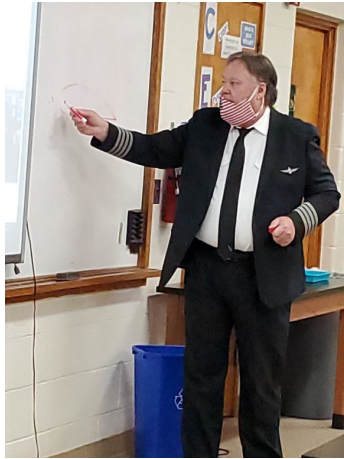

This school year has presented itself with many challenges as we have attempted to navigate through maintaining face-to-face learning through the COVID-19 pandemic. It has been our primary goal to help keep students and staff members healthy and safe while adapting to all of the constant changes that we are facing.

Midwest Energy & Communication (MEC) has graciously donated to help fund the school health clinic. Their monetary donation was used to purchase a portable vital signs machine. This machine is capable of accurately assessing temperature, blood pressure, heart rate, and oxygen levels of students and staff members. Their gift will allow for quick and accurate assessment of student and staff health and wellness needs, and potentially catch emergent situations before they become severe. Their generosity has already proven to be an asset to the school health clinic. Thanks again, MEC!

## 8th Graders Enjoy Visit from American Airlines Captain Pilot

Mrs. Shinaver's eighth grade science class wrapped up their Project Lead the Way Flight and Space curriculum with a visit from a pilot. John McGovern, an American Airlines captain, came and shared his wealth of knowledge about flying. It was great to see many similarities from his real-life experiences to what was learned throughout the trimester. When reflecting on the visit, students responded that they thought it was interesting that planes can fly with a busted engine and still land safely. We learned that every system has a backup and there is a backup to that backup system! Additionally, Captains have four stripes on their jacket sleeves and First Officers only have three. We learned that American Airlines send their pilots to training every 9 months and they must pass tests with a 100%.

## Red Cross Blood Drive - Help Save a Life

Help Madison earn scholarship money for our seniors, and better yet, help save a life. The American Red Cross will be in the Madison Performing Arts

Center on Sunday, May 23rd from 11:00 a.m. - 3:45 p.m.

Please help us reach our goal to qualify for scholarship earnings. Due to Covid requirements please schedule an appointment in advance.

Link to sign up: <https://www.redcrossblood.org/give.html/drive-results?zip-Sponsor=TROJANS>

## GSRP Preschool provides learning opportunities for youngest students

Madison's Great Start Readiness preschool program is now accepting new students. Children who are turning four years old, but who are less than five years old by September 1 are eligible. Children must reside in Lenawee County and meet state criteria for enrollment.

To apply:

Please visit [lenaweefreepreschools.org](http://lenaweefreepreschools.org) to submit the interest form.

The GSRP office will then send you an application through the mail.

Complete and send the application in the self-addressed envelope provided by GSRP, or deliver it to the GSRP at the Porter Center. (2946 Sutton Road, Adrian, MI 49221)

Someone from the GSRP office will contact you concerning your eligibility.

Please note that children are not placed into the program on a "first come first serve basis," but are prioritized by the family's income and number of other risk factors.
