5th Graders Get Camp Michindoh Experience at Madison

This crazy school year didn't stop 5th grade students from having a camp experience. If we can't go to Camp Michindoh, then we would have to bring camp to us. The Michindoh staff joined us at Madison School on June 1st and 2nd. Our fifth graders pretended to be animals, experienced the hardships of the pioneers, learned to build fires in unique ways, held snakes and turtles, and dissected owl pellets. With the help of Madison School and the LCEF Teacher Innovative and Enrichment Grant, these 5th graders had a unique camp experience.

2021 Madison Football Parent Letter and Summer-Fall Schedule

Dear Madison Football Families:

I would like to take this opportunity to convey our coaching staff's enthusiasm for the 2021 football season. Our off-season has been a great success so far due largely to the support from our parents and the commitment from our student athletes. With that being said, as the summer approaches it is now the most critical portion of our off-season.

Football is a demanding sport both during the season and in the off season. We will expect the best from your student athlete in preparation for this upcoming season. Strength & conditioning sessions plus skill work are all ways that we can improve both individually and as a team. Our strength training sessions benefit far more than just physical strength gains. We feel the greater achievements are developing the mental toughness of our athletes and the building of their self- confidence. We expect our players to train together, building team chemistry than transcends the X's and O's.

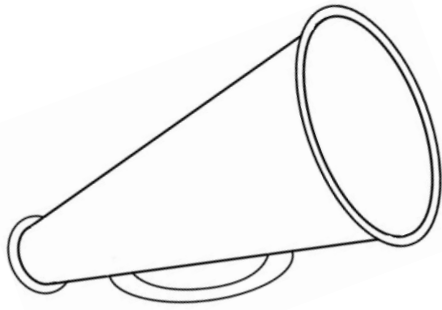

The summer is not a time to focus exclusively on football, we understand that. We know your child has family obligations, vacations, and involvement in other sports. These are all very much encouraged by our coaching staff. I would just ask that you let me know if your athlete will be missing for an extended period of time. Communication is a critical component of our program and important in our accountability to each another. If you have any questions regarding football at Madison, please do not hesitate to contact myself or one of the other coaches on staff. We are here for your child and will do anything in our power to make his/her football experience a positive and memorable one. I have included our summer calendar. Please understand, times and dates could be subject to change.

Sincerely,

Coach Gallagher
