PATT Lock-In - December 10th

The Madison PATT would like to thank all of our volunteers for helping with our Halloween Lock-in. Our events would not be possible without the help of each of you.

Our next PATT meeting is November 9th at 6pm. We would love to have you be apart of our team in helping make memories and opportunities happen for our students and staff!

The next PATT lock-in is on December 10th at 6pm! Come join us for our PajamaRama Christmas event!!

2nd Grade Students Experiment With LEGO Robotics

2nd graders in Laurie Zaszczurynski's and student teacher Hannah Monroe's class used LEGO robotics kits and iPads to create and program moving models of bees pollinating flowers. The robotics activity was done in conjunction with a science unit during which students learned about how various animals disperse seeds or pollinate plants. "This is so cool!" was an exclamation from students commonly heard during the project. The LEGO robotics kits were obtained by Madison School District in November 2019 thanks to a grant from the Lenawee County Education Foundation.

Red Cross Blood Drive - Help Save a Life

Help Madison earn scholarship money for our seniors, and better yet, help save a life. Madison High School Debate Is In-Person Again This Year!

The Madison HS varsity debate team of seniors, Alayna Wagner and Matson Garza, will be returning to the debate stage again this year. The Lenawee County Debate League scrimmages start on November 11 with the final tournament on December 9-10, 2021. Other county schools participating in the league this year are Adrian, Blissfield, Hudson, and Lenawee Christian. This year's topic is the case for substantially increasing protection of water resources in the United States. The team is coached by Dr. Cichy.

The Giving Tree Project

Madison Schools prides itself in being a caring community. In 2005, we received a letter asking for possible help in making one of our student's holiday season brighter. It was because of this letter that we asked ourselves how many more of our families need a little help in making the holiday season brighter. So to answer that question, The Giving Tree Project was created.

Family and friends are a wonderful part of the holidays. This year may look very different as we are continuing to learn and adapt in many new ways. Once again, we anticipate that our tree will be full. As an important part of our family, we would like to invite you to share in the gift of giving. If you would like to be part of The Giving Tree Project please stop by the middle school office to select a child or family beginning November 22, 2021. Monetary donations can also be made through Myschoolbucks.com.

If you know of a family in need please reach out to Mrs. Fisher in the middle school counseling office. Should you have any questions, call 517-263-0743.

"May you be inspired by giving, changed by love, filled with peace and touched by miracles."

STARS (Striving to Achieve Reading Success)

Attention Parents & Grandparents,

If you are interested in becoming actively involved here at Madison Elementary School please consider **STARS**!

STARS (Striving to Achieve Reading Success) Program at Madison school is seeing earlier academic growth because of the help of our dedicated mentors.

Our need for exceptional mentors is at critical levels. We are once again recruiting for this year's mentors. We are a "one on one" support program. Lesson plans are organized for you and staff is always present to help you. Most mentors volunteer an hour and a half, one day a week but you can do more!

Thank you for considering STARS as a way to help young students start their education with the support of a whole community.

NCAA Requirements

If you have a son/daughter interested in competing athletically at the NCAA Division I or II level, please be aware that the NCAA has certain academic requirements. It is a good idea to check with Mrs. Stelzer regarding your child's academics to be sure he/she is on track for eligibility. The process begins in the 9th grade. Please call 517-265-1843 to make an appointment.

Calculator Buying Guide

Students entering sixth grade will use the TI-34 II Explorer Plus Calculators. Seventh grade students will use the TI-84 Silver Plus Graphing Calculators. Eighth grade students will use the TI-84 Silver Plus and the TI-Nspire. High School students will use the Inspire and Nspire CX.

Buying a TI-84 graphing calculator or Nspire is a great investment. Calculators are provided for students to use in the classroom. However, students will benefit from having their own calculator to use at home. Please check with your child's teacher for the specific calculator model.

News

We work hard to plan our menus, but due to national supply chain issues, we're having some trouble getting all of the food we ordered delivered to us. This challenge is out of our control, but our team is doing our best to come up with backup plans. Thanks for being flexible with us!

We will be doing weekly menus, this will help to insure we have the products we need for that week.

This institution is an equal opportunity provider

We are pleased to inform you that Madison School District will be participating in the Seamless Summer Option as part of the National School Lunch and School Breakfast Programs for the School Year 2021-2022.

The GREAT NEWS is that ALL students enrolled at our school can receive a healthy breakfast and lunch at NO CHARGE to your household each day. We still need your household to fill out and sign the Free and Reduced-Price Meal Application.

This information is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology
- Pandemic-EBT

We are asking that you please complete and submit it as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the application submitted is confidential. Without your assistance in completing and returning the attached application, our school cannot maximize the use of available State and Federal funds.

If we can be of any further assistance, please contact us.

Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
