More details to come in the near future.

The Giving Tree Project

Madison Schools prides itself in being a caring community. In 2005, we received a letter asking for possible help in making one of our student's holiday season brighter. It was because of this letter that we asked ourselves how many more of our families need a little help in making the holiday season brighter. So to answer that question, The Giving Tree Project was created.

Family and friends are a wonderful part of the holidays. This year may look very different as we are continuing to learn and adapt in many new ways. Once again, we anticipate that our tree will be full. As an important part of our family, we would like to invite you to share in the gift of giving. If you would like to be part of The Giving Tree Project please stop by the middle school office to select a child or family beginning November 22, 2021. Monetary donations can also be made through Myschoolbucks.com.

If you know of a family in need please reach out to Mrs. Fisher in the middle school counseling office. Should you have any questions, call 517-263-0743.

"May you be inspired by giving, changed by love, filled with peace and touched by miracles."

NCAA Requirements

If you have a son/daughter interested in competing athletically at the NCAA Division I or II level, please be aware that the NCAA has certain academic requirements. It is a good idea to check with Mrs. Stelzer regarding your child's academics to be sure he/she is on track for eligibility. The process begins in the 9th grade. Please call 517-265-1843 to make an appointment.

Calculator Buying Guide

Students entering sixth grade will use the TI-34 II Explorer Plus Calculators. Seventh grade students will use the TI-84 Silver Plus Graphing Calculators. Eighth grade students will use the TI-84 Silver Plus and the TI-Nspire. High School students will use the Inspire and Nspire CX.

Buying a TI-84 graphing calculator or Nspire is a great investment. Calculators are provided for students to use in the classroom. However, students will benefit from having their own calculator to use at home. Please check with your child's teacher for the specific calculator model.

News

We work hard to plan our menus, but due to national supply chain issues, we're having some trouble getting all of the food we ordered delivered to us. This challenge is out of our control, but our team is doing our best to come up with backup plans. Thanks for being flexible with us!

We will be doing weekly menus, this will help to insure we have the products we need for that week.

This institution is an equal opportunity provider

We are pleased to inform you that Madison School District will be participating in the Seamless Summer Option as part of the National School Lunch and School Breakfast Programs for the School Year 2021-2022.

The GREAT NEWS is that ALL students enrolled at our school can receive a healthy breakfast and lunch at NO CHARGE to your household each day. We still need your household to fill out and sign the Free and Reduced-Price Meal Application.

This information is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology
- Pandemic-EBT

We are asking that you please complete and submit it as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the application submitted is confidential. Without your assistance in completing and returning the attached application, our school cannot maximize the use of available State and Federal funds.

If we can be of any further assistance, please contact us.

Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.

Madison Board of Education
