# Madison Students Recognized in Voice of Democracy Essay Competition

From Telegram Story: <https://www.lenconnect.com/story/news/military/veterans/2022/01/19/lenawee-middle-high-school-students-participate-vfw-essay-program/6564053001/>

Madison HS Students Aiden Mahony, Halle Horwath, Dominic Regalado, and Kiersten Brackelman were all recognized for their essay entries into this year's VFW Voice of Democracy contest. The theme of this year's essay was "America: Where Do We Go From Here?" for high school students.

Mahony was selected as the best essay in the contest and was presented a \$100 check from the VFW during a ceremony on January 15th.

"I just thought of some things that could be considered a negative (in the country) and how we can fix them and how we can turn those into a positive in an easy way," Mahony said. "And I decided to speak on unity and getting away from our own selfish ways and instead of being our own person in the country we can be just one person and one country."

## Madison HS Earns Female Diversity Award

Madison High School has earned the College Board's AP® Computer Science Female Diversity Award for expanding young women's access to AP Computer Science Principles (CSP). This award acknowledges 1,020 schools for their work toward equal gender representation during the 2020-21 school year. Our school is one of only 760 schools across the United States to be recognized for achieving this important result in AP CSP.

Last year was the first year Madison High School offered the AP Computer Science Principles course, taught by Mrs. Norlock. Students enjoyed the course and performed wonderfully on the AP exam, with 100% of students receiving a 3 or higher. Special recognition goes out to the following female students that helped Madison High School to earn this award by their enrollment in the course: Anessa Cantu, Paulina Graham, Halle Horwath, Abby Morris, Mallory Palpant, Harley Russell, and Lily Wager.

### NCAA Requirements

If you have a son/daughter interested in competing athletically at the NCAA Division I or II level, please be aware that the NCAA has certain academic requirements. It is a good idea to check with Mrs. Stelzer regarding your child's academics to be sure he/she is on track for eligibility. The process begins in the 9th grade. Please call 517-265-1843 to make an appointment.

### Calculator Buying Guide

Students entering sixth grade will use the TI-34 II Explorer Plus Calculators. Seventh grade students will use the TI-84 Silver Plus Graphing Calculators. Eighth grade students will use the TI-84 Silver Plus and the TI-Nspire. High School students will use the Inspire and Nspire CX.

Buying a TI-84 graphing calculator or Nspire is a great investment. Calculators are provided for students to use in the classroom. However, students will benefit from having their own calculator to use at home. Please check with your child's teacher for the specific calculator model.

### **News**

We work hard to plan our menus, but due to national supply chain issues, we're having some trouble getting all of the food we ordered delivered to us. This challenge is out of our control, but our team is doing our best to come up with backup plans. Thanks for being flexible with us!

**We will be doing weekly menus, this will help to insure we have the products we need for that week.**

**This institution is an equal opportunity provider**

We are pleased to inform you that Madison School District will be participating in the Seamless Summer Option as part of the National School Lunch and School Breakfast Programs for the School Year 2021-2022.

The GREAT NEWS is that ALL students enrolled at our school can receive a healthy breakfast and lunch at NO CHARGE to your household each day. We still need your household to fill out and sign the Free and Reduced-Price Meal Application.

This information is critical in determining the amount of money that our school receives from a variety of State and Federal supplemental programs like Title I A, At-risk (31a), Title II A, E-Rate, etc.

These supplemental programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional supports (staff, supplies & materials, etc.)
- Non-instructional services (counseling, social work, health services, etc.)
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology
- Pandemic-EBT

We are asking that you please complete and submit it as soon as possible to ensure that additional funding for our school is available to meet the needs of our students. All information on the application submitted is confidential. Without your assistance in completing and returning the attached application, our school cannot maximize the use of available State and Federal funds.

If we can be of any further assistance, please contact us.

# Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
