MEDICAL BENEFIT  
SPAGHETTI DINNER  
& SILENT AUCTION

## ABOUT LAURIE FULTZ RITCHIE

In January 2022, Laurie was diagnosed with stage 4 Squamous Cell Carcinoma of the liver. As of March 2022, Laurie has undergone treatment to battle and beat this horrible disease by traveling locally and out of state for treatments.

As you can imagine, this has taken a toll on Laurie and her husband John, physically, mentally and especially financially. Fundraising will help cover medical and living expenses while Laurie is unable to work and undergoes further treatment. Apart from being a loving, caring and generous friend, Laurie has been a pillar in her community as a special education teacher at Madison Schools for 15 years and a devoted leader of Damascus Road Ministries since 2008. Laurie has given freely to so many over the years and now she needs our help.

Please join us in blessing Laurie and John with your prayers, love and any financial support you're able to provide.

# MS Equations Teams Compete At County Super Tournament

On Tuesday, April 26, your Madison Middle School Equations team competed in what they have been preparing for all season, the Lenawee County Equations SUPER TOURNAMENT. The team's many months worth of dedication and hard work certainly paid off! We performed as a whole team better than we ever have before, bringing home multiple trophies!

Within the 6th grade, our Division 2 team consisting of Olivia Pickford, Frankie Pechaitis, Isabella Lopez, Cameron Coleman, and Sam Staudinger brought home the 3rd place trophy while our Division 1 team made up of Javin Stegg, Rylee Woodring, Valerica Garcia, Mackenzie Terrazas, and Marissa Torres carried in a 2nd place trophy for their combined performance!

For the 7th/8th grade competitors, our Division 2 team played remarkably well together snagging the 3rd place trophy. This team was quite special as it included some fierce competitors, both young and old! Reggie Stegg, Lucas Reis, Cameron Face, and Rachel Hamann all represented the 7th/8th grade spots very well racking up many points for their team while Vivienne McGormley stepped up from the 6th grade level and competed with the 7th/8th graders contributing 17 points to her team's overall score! 18 points is the most a single player on a team can accumulate so this is quite impressive!

We had some stand out single players as well today: Rylei Flores, Reagan Steinmetz, Lylah Gutierrez, Leeland Somers, Sierra Bushroe, Rylee Woodring, Valeria Garcia, Olivia Pickford, Sam Staudinger, and Wade Garza all had at least one 1st place round during the tournament while Merideth Miner had a clean sweep placing 1st in all of her rounds!

I, Ms. Clegg, would like to publicly thank the Equations team for such a fun filled season this year! I hope to see all of the 6th and 7th graders return to the team next year! Great job, Equations team. You make us proud.

## MS Robotics Club Back in Action

Madison Middle School is resuming their Robotics Club for a second season. We would like to congratulate the following team members: 8<sup>th</sup> graders Kadin Brehm & David Hacker and 7<sup>th</sup> graders Devin Fulop, Wade Garza, Lucas Ries, and Jonah Yeager. The team began in April by building VEX robots and in May will be working on programming the robots for specific tasks.

# Madison Middle School Music 2022-2023

Dear Parents of a child entering the 6<sup>th</sup> grade next fall,

In the last part of May during the school day, your child will attend a concert showcasing all of the musical opportunities available to them in string orchestra, band, and choir.

## The four string orchestra instruments are:

Violin, Viola, Cello, Bass

## The band instruments:

Flute, Clarinet, Alto Saxophone, Trumpet, Trombone, Percussion

**Baritone and Tuba--** These are low brass instruments. Students will often start on Trumpet or Trombone and switch to these instruments.

**Percussion –** there are a limited amount of percussionist we can enroll. Percussion is very competitive so it is possible that we may have to have an audition if there is a lot of interest. We can only have 2 to 4 percussionist per grade level.

## Why join a music ensemble at Madison?

- ✓ Improved concentration, coordination, self-discipline
- ✓ Current research suggests a correlation between instrumental music studies and higher standardized test scores
- ✓ Performing is a great learning experience and a way to share music with the community
- ✓ It is a wonderful outlet for young students to express his or her artistic ability
- ✓ Make new friends
- ✓ Helps build the appreciation of music
- ✓ Raise self-confidence, no one sits on the bench

## Who can join?

Students entering the 6<sup>th</sup> grade for the 2022-23 school year who have the desire to learn how to make music. No advance musical training is required. The students will start from the very beginning learning how to hold the instrument and learning how to read music.

## How do you rent or buy an instrument?

SHAR Music and Marshall Music offer programs where you can pay a small monthly fee to rent an instrument. Money that you put in rental fees will go toward the purchase of any instrument that they sell. These rental programs include maintenance and upkeep on the instrument being rented. If finances are an issue, we will work something out. We have several school instruments available for use if renting is not an option.

Once you sign up for Orchestra or Band, you will be contacted with more detailed information by the end of the year, and/or at the start of the school year on how to rent, buy or borrow an instrument.

\*\*\*\*\*Please email Mrs. Zeckner or Eric Strasshofer if you have any questions. [marcie.zeckner@madisonk12.us](mailto:marcie.zeckner@madisonk12.us)

### NCAA Requirements

If you have a son/daughter interested in competing athletically at the NCAA Division I or II level, please be aware that the NCAA has certain academic requirements. It is a good idea to check with Mrs. Stelzer regarding your child's academics to be sure he/she is on track for eligibility. The process begins in the 9th grade. Please call 517-265-1843 to make an appointment.

### Calculator Buying Guide

Students entering sixth grade will use the TI-34 II Explorer Plus Calculators. Seventh grade students will use the TI-84 Silver Plus Graphing Calculators. Eighth grade students will use the TI-84 Silver Plus and the TI-Nspire. High School students will use the Inspire and Nspire CX.

Buying a TI-84 graphing calculator or Nspire is a great investment. Calculators are provided for students to use in the classroom. However, students will benefit from having their own calculator to use at home. Please check with your child's teacher for the specific calculator model.

# Stay Connected.

We Believe - The foundation of education is a partnership that includes two-way communication between family, school, and community – the Madison Family. Stakeholders are invited and encouraged to become involved in our schools. Please contact us if you have questions, concerns, suggestions, or would like to volunteer. Our strength and our success is in our relationships with members of our community.
